Board Approval for a Novel at Allamuchy Township School Submitted by Holly Guido, Reading Specialist July 2020

Book: Because of Mr. Terupt (fiction) by Rob Buyea

Population: 5th Grade, AR Level 3.7, 5 points, content is appropriate for fifth grade and up This book has been chosen by the Warren County Consortium for Student Enrichment (WCCSE) for many years as a favorite on the Battle of the Books list. It is an E. B. White Read-Aloud Honor Book and a CYBILS finalist and has won seven state awards and been named to numerous state award lists.

This novel is about:

Seven students are about to have their lives changed by one amazing teacher. This story is filled with unique characters every reader can relate to. The characters help students connect to their lives and see problems from a fifth grader's point of view.

Summary:

It's the start of a new year at Snow Hill School, and seven students find themselves thrown together in Mr. Terupt's fifth grade class. There's . . . Jessica, the new girl, smart and perceptive, who's having a hard time fitting in; Alexia, a bully, your friend one second, your enemy the next; Peter, class prankster and troublemaker; Luke, the brain; Danielle, who never stands up for herself; shy Anna, whose home situation makes her an outcast; and Jeffrey, who hates school. They don't have much in common, and they've never gotten along. Not until a certain new teacher arrives and helps them to find strength inside themselves—and in each other. But when Mr. Terupt suffers a terrible accident, will his students be able to remember the lessons he taught them? Or will their lives go back to the way they were before—before fifth grade and before Mr. Terupt? In the end of the book, Mr. Terupt is alright, and all of the students learn how to how solve or at least manage their "problems". Each student learns it is better to work through things with the support of others rather than trying to "go it alone." Lessons taught in this book include compassion, understanding, not judging others, and paying it forward.

Book: The One and Only Bob (fiction) by Katherine Applegate
Population: 3rd Grade, AR Level unknown, points - unknown
This book is a sequel to the novel The One and Only Ivan (already Board approved). The book
came out in the spring of this year, so no AR levels or quizzes have been assigned as of yet.

This novel is about:

Bob, a stray dog from the *The One and Only Ivan*, develops a unique relationship with Ivan, the gorilla, as well as Julia, the janitor's daughter, while they are living at a run-down circus at the Big Top Mall. The story is told from the perspective of the dog.

Summary:

The circus is closed, and Bob now lives with George and Julia. George is working at the zoo where Ivan and Ruby were taken after the circus was shut down. Bob is used to surviving on his own and is trying to adapt to being a pet. During one trip to the zoo, a tornado touches down, making Bob fly through the air and land in the giraffe enclosure. It also damages many of the barriers keeping the animals separated and collapses some buildings. Bob's first concern is his two friends; he finds Ruby quickly, but Ivan is trapped under a building. Luckily, the humans are able to free him, and the zoo staff work to get the animals to safety while trying to corral the ones that are loose. Bob does his best to help, and even has a run in with Kimu, the wolf. When Bob hears a bark that sounds familiar, he heads out of the zoo, only to be captured by the police and taken to the shelter. There, he meets someone from his past who sends him on a rescue mission that helps dispel some of his personal fears. Bob finds courage he never knew he had and learns the true meaning of friendship and family.

Bob, Ivan, and Ruby have touched the hearts of millions of readers, and their story isn't over yet. Catch up with these beloved friends before the star-studded film adaptation of *The One and Only Ivan* hits theaters in August 2020!

[See POLICY ALERT Nos. 164 and 220]

2270 RELIGION IN THE SCHOOLS

The Board of Education recognizes that religious belief and disbelief are matters of personal conviction rather than governmental authority and the students of this district are protected by the First Amendment of the United States Constitution and by Article I, Paragraph 4 of the New Jersey State Constitution from the establishment of religion in the schools. **The First Amendment requires public** sSchool officials will to show be neutral in their treatment of religion in the school district, showing neither favoritism toward nor hostility against religious expression such as prayer. Accordingly, devotional exercises will be permitted in this district.

The United States Department of Education's Guidance on Constitutionally Protected Prayer and Religious Expression in Public Elementary and Secondary Schools (USDOE Guidance) provides information on the current state of the law concerning religious expression in public schools.

The following activities **as outlined in the USDOE Guidance** will be permitted **upon applying the governing constitutional principles in particular contexts related to:** in the school district provided the activity is consistent with current United States Supreme Court decisions regarding the relationship between government and religion: prayer during **non**-instructional time; organized prayer groups and activities; **teachers, administrators, and other school employees' activities; moments of silence; accommodations for prayer during instructional time;** religious expression and prayer in classroom assignments; student assemblies and extra-curricular noncurricular events; prayer at graduation; **and/or** baccalaureate ceremonies; devotional exercises and other prayer and/or religion related activities.

The following activities as outlined in the USDOE Guidance will be permitted upon applying the governing constitutional principles in particular contexts related to religious expression: religious literature; teaching about religion; student dress codes and policies; and/or religious excusals. The school district will not permit an activity if the activity advances or inhibits any particular religious expression that is protected by the First Amendment of the United States Constitution.

PROGRAM 2270/page 2 of 3 Religion in the Schools

The Equal Access Act, 20 U.S.C. Section 4071, is designed to ensure that student religious activities are afforded the same access to Federally funded public secondary school facilities as are student secular activities. The United States Department of Justice has developed guidance for interpreting the Equal Access Act's requirements outlined in the USDOE Guidance in the area of general provisions, prayer service and worship exercises, means of publicized meetings, lunch-time and recess, and leadership of religious student groups.

The Board believes that an understanding of religions and the contributions that religion has made to the advancement of civilization is essential to the thorough education of young people and to their appreciation of a pluralistic society. To that end, the curriculum may be developed to include, as appropriate to the various ages and attainments of the students, instruction about the religions of the world.

The Board also acknowledges the degree to which a religious consciousness has enriched the arts, literature, music, and issues of morality. The instructional and resource materials approved for use in the schools of this district frequently contain religious references or concern moral issues that have traditionally been the focus of religious concern. That such materials may, therefore, be religious in nature shall not, by itself, bar their use by the district. The Board directs that teaching staff members employing such materials be neutral in their approach and avoid using them to advance or inhibit religion in any way.

The Board recognizes that religious traditions vary in their perceptions and doctrines regarding the natural world and its processes. The curriculum is chosen for its place in the thorough and efficient education of the children of this district, not for its conformity to religious principles. Students should receive unbiased instruction in the schools so that they may privately accept or reject the knowledge so gained in accordance with their own religious tenets.

PROGRAM 2270/page 3 of 3 Religion in the Schools

Any issues regarding religion in the schools and the provisions of this Policy shall be referred to the Superintendent of Schools who may consult with the Board Attorney.

The Commissioner shall implement a system and related schedule of Statewide assessments to evaluate student achievement of the New Jersey Student Learning Standards (NJSLS). The Commissioner, with the approval of the State Board of Education, shall define the scope and level of student performance on Statewide assessments that demonstrate thorough understanding of the knowledge and skills delineated by the NJSLS at grade levels three through twelve. After consultation with the Commissioner, the State Board of Education shall establish by resolution uniform Statewide criteria defining adequate school district progress toward meeting the NJSLS.

State assessments provide parents with important information about their child's progress; detailed diagnostic information about each individual student's performance that educators, parents, and students can utilize to enhance foundational knowledge and student achievement; and include item analysis which will clarify a student's level of knowledge and understanding of a particular subject or area of a subject. The data derived from State assessments will be utilized by teachers and administrators to pinpoint areas of difficulty and customize instruction accordingly. Such data can be accessed and utilized as a student progresses to successive school levels.

Pursuant to N.J.A.C. 6A:8-4.1(b) and (c), all students at grade levels three through twelve, and at any other grade(s) designated by the Commissioner pursuant to N.J.A.C. 6A:8-4.1(a), shall take all appropriate Statewide assessments as scheduled. There is no provision for a student to opt-out of Statewide assessments. If a student is absent on a testing date, the student will be expected to take the missed test on another school day. The Board of Education shall consider the totality of information and documentation offered by an applicant, and shall not deny enrollment based on failure to provide a particular form or subset of documents without regard to other evidence presented.

The Board of Education shall not condition enrollment on the receipt of information or documents protected from disclosure by law, or pertaining to criteria that are not a legitimate basis for determining eligibility to attend school as outlined in N.J.A.C. 6A:22-3.4(d). The Board of Education may consider, in a manner consistent with Federal law, documents or information referenced in N.J.A.C. 6A:22-3.4(d) or pertinent parts thereof if voluntarily disclosed by the applicant. The Board of Education may not, directly or indirectly, require or request such disclosure as an actual or implied condition of enrollment.

The Board of Education shall use Commissioner-provided registration forms or locally developed forms that are consistent with the forms provided by the Commissioner. A district-level administrator designated by the Superintendent shall be clearly identified to applicants and available to assist persons who experience difficulties with the enrollment process.

STUDENTS 5111/page 5 of 10 Eligibility of Resident/Nonresident Students

Initial eligibility determinations shall be made upon presentation of an enrollment application, and enrollment shall take place immediately except in cases of clear, uncontested denials. Enrollment shall take place immediately when an applicant has provided incomplete, unclear, or questionable information, but the applicant shall be notified that the student will be removed from the school district if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2.

When a student appears ineligible based on the information provided in the initial application, the school district shall issue a preliminary written notice of ineligibility, including an explanation of the right to appeal to the Commissioner of Education. Enrollment shall take place immediately if the applicant clearly indicates disagreement with the district's determination and an intent to appeal to the Commissioner of Education. An applicant whose student is enrolled pursuant to this provision shall be notified that the student will be removed, without a hearing before the Board, if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.

When enrollment is denied and no intent to appeal is indicated, applicants shall be advised they shall comply with compulsory education laws. When the student is between the ages of six and sixteen, applicants also shall be asked to complete a written statement indicating the student will be attending school in another school district or nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the absence of this written statement, designated staff shall report to the school district of actual domicile or residence, or the Department of Children and Families, a potential instance of "neglect" for the purposes of ensuring compliance with compulsory education law, N.J.S.A. 9:6-1. Staff shall also indicate admission to the school district has been denied based on residency or domicile, and there is no evidence of intent to arrange for the child to attend school or receive instruction elsewhere.

Enrollment or attendance at the school shall not be conditioned on advance payment of tuition when enrollment is denied and an intent to appeal is indicated, or when enrollment is provisional and subject to further review or information. The Board of Education shall ensure the registration process identifies information suggesting an applicant may be homeless so procedures may be

STUDENTS 5111/page 6 of 10 Eligibility of Resident/Nonresident Students

implemented in accordance with N.J.A.C. 6A:17-2, Education of Homeless Children. Enrollment or attendance in the school district shall not be denied based upon the absence of the certified copy of the student's birth certificate or other proof of a student's identity as required within thirty days of initial enrollment, pursuant to N.J.S.A. 18A:36-25.1.

Enrollment in the school district shall not be denied based upon absence of student medical information. However, actual attendance at school may be deferred until the student complies with student immunization rules set forth in N.J.A.C. 8:57-4.

When enrollment in the school district, attendance at school, or the receipt of educational services in the regular education program appears inappropriate, the student shall not be denied based upon the absence of a student's prior educational record. However, the applicant shall be advised the student's initial educational placement may be subject to revision upon the school district's receipt of records or further assessment of the student.

Notice of Ineligibility

When a student is found ineligible to attend the school district pursuant to N.J.A.C. 6A:22 or the student's initial application is found to be deficient upon subsequent review or investigation, the school district immediately shall provide to the applicant notice that is consistent with Commissioner-provided sample form(s) and meets requirements of N.J.A.C. 6A:22-4 et seq. Notices shall be in writing; in English and in the native language of the applicant; issued by the Superintendent; and directed to the address at which the applicant claims to reside. Notices of ineligibility shall include information as outlined in N.J.A.C. 6A:22-4.2.

Removal of Currently Enrolled Students

Nothing in N.J.A.C. 6A:22 et seq. and this Policy shall preclude the Board of Education from identifying through further investigation or periodic requests for revalidation of eligibility, students enrolled in the school district who may be ineligible for continued attendance due to error in initial assessment, changed circumstances, or newly discovered information.

STUDENTS 5111/page 7 of 10 Eligibility of Resident/Nonresident Students

When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student's removal in accordance with the provisions of N.J.A.C. 6A:22-4.3. No student shall be removed from school unless the parent, guardian, adult student, or resident keeping an "affidavit student" (as defined in N.J.A.C. 6A:22-1.2) has been informed of his or her entitlement to a hearing before the Board of Education. Once the hearing is held, or if the parent, guardian, adult student or resident keeping an "affidavit student", does not respond within the designated time frame to the Superintendent's notice or appear for the hearing, the Board of Education shall make a prompt determination of the student's eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2 Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board or a Board Committee, at the discretion of the full Board. If the hearing(s) is conducted by a Board Committee, the Committee shall make a recommendation to the full Board for action. No student may be removed except by vote of the Board taken at a meeting duly convened and conducted pursuant to N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act.

Appeal to the Commissioner

An applicant may appeal to the Commissioner of Education the school district's determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition which shall be filed in accordance with N.J.S.A. 18A:38-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3. Pursuant to N.J.S.A. 18A:38-1.b(1), appeals of "affidavit student" eligibility determinations shall be filed by the resident keeping the student.

Assessment and Calculation of Tuition

If no appeal to the Commissioner is filed following notice of an ineligibility determination, the Board of Education may assess tuition, for up to one year of a student's ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner. Tuition will be assessed and calculated in accordance with N.J.A.C. 6A:22-6.3 et seq. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

STUDENTS 5111/page 8 of 10 Eligibility of Resident/Nonresident Students

If an appeal to the Commissioner is filed and the petitioner does not sustain the burden of demonstrating the student's right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition in accordance with the provisions of N.J.A.C. 6A:22-6.2(a). Upon the Commissioner's finding that an appeal has been abandoned, the Board of Education may remove the student from school and seek tuition in accordance with N.J.A.C. 6A:22-6.2.

Nonresident Students

The admission of a nonresident student to school free of charge must be approved by the Board. No student otherwise eligible shall be denied admission on the basis of the student's race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability.  - (1) When a student's parents or guardians are domiciled within different school districts and there is no court order or written agreement between the parents designating the school district of attendance, the student's domicile is the school district of the parent or guardian with whom the student lives for the majority of the school year. This provision shall apply regardless of which parent has legal custody.
 - (2) When a student's physical custody is shared on an equal-time, alternating week/month or other similar basis so the student is not living with one parent or guardian for a majority of the school year and there is no court order or written agreement between the parents designating the school district of attendance, the student's domicile is the present domicile of the parent or guardian with whom the student resided on the last school day prior to October 16 preceding the application date.
 - When a student resided with both parents or (a) guardians, or with neither parent or guardian, on the last school day prior to the preceding October 16, the student's domicile is the domicile of the parent or guardian with whom the parents or guardians indicate the student will be residing on the last school day prior to the ensuing October 16. When the parents or guardians do not designate or cannot agree upon the student's likely residence as of that date, or if on that date the student is not residing with the parent or guardian previously indicated, the student shall attend school in the school district of domicile of the parent or guardian with whom the student actually lives as of the last school day prior to October 16.

- (3) When a student is living with a person other than a parent or guardian, nothing in N.J.A.C. 6A:22-3.1 is intended to limit the student's right to attend school in the parent or guardian's school district of domicile pursuant to the provisions of N.J.A.C. 6A:22.
- (4) No school district shall be required to provide transportation for a student residing outside the school district for all or part of the school year unless transportation is based upon the home of the parent or guardian domiciled within the school district or otherwise required by law.
- b. A student is domiciled in the school district when he or she has reached the age of eighteen or is emancipated from the care and custody of a parent or guardian and has established a domicile within the school district.
- c. A student is domiciled in the school district when the student has come from outside the State and is living with a person domiciled in the school district who will be applying for guardianship of the student upon expiration of the six-month "waiting period" of State residency required pursuant to N.J.S.A. 2A:34-54 ("home state" definition) and 2A:34-65.a(1). However, a student may later be subject to removal proceedings if application for guardianship is not made within a reasonable period of time following expiration of the mandatory waiting period or if guardianship is applied for and denied.

 - a. When property tax is paid in equal amounts to two or more municipalities, and there is no established assignment for students residing in the affected dwellings, the school district of domicile for school attendance purposes shall be determined through assessment of individual proofs as provided pursuant to N.J.A.C. 6A:22-3.4.
 - b. This provision shall not preclude the attendance of currently enrolled students who were permitted to attend the school district prior to December 17, 2001.
 - c. When a student's parent or guardian elects to exercise such entitlement, nothing in N.J.A.C. 6A:22-3.1 shall exclude a student's right to attend the school district of domicile although the student is qualified to attend a different school district pursuant to N.J.S.A. 18A:38-1.b or the temporary residency (less than one year) provision of N.J.S.A. 18A:38-1.d.

The school district shall not be responsible for providing transportation for the child if the child lives outside of the district. Following the return of the child's parent or guardian from active military service, the child's eligibility to remain enrolled in the school district pursuant to N.J.S.A. 18A:38-3.1 shall cease at the end of the current school year unless the child is domiciled in the school district.

- I. Removal of Currently Enrolled Students
 - 1. - J. Appeal to the Commissioner
 - 1. An applicant may appeal to the Commissioner of Education a school district determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition, which shall be filed in accordance with N.J.S.A. 18A:38-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3.
 - a. Pursuant to N.J.S.A. 18A:38-1.b(1), appeals of "affidavit student" ineligibility determinations shall be filed by the resident keeping the student.
- K. Assessment and Calculation of Tuition
 - 1. If no appeal to the Commissioner is filed by the parent, guardian, adult student, or school district resident keeping an "affidavit" student following notice of an ineligibility determination, the Board of Education may assess tuition for up to one year of a student's ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner.
 - a. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.
 - 2. If an appeal to the Commissioner is filed by the parent, guardian, adult student, or school district resident keeping an "affidavit" student and the petitioner does not sustain the burden of demonstrating the student's right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition for the period during which the hearing and decision on appeal were pending, and for up to one year of a student's ineligible attendance in a school district prior to the appeal's filing and including the twentyone day period to file an appeal.

STUDENTS R 5111/page 25 of 25 Eligibility of Resident/Nonresident Students

- Upon the Commissioner's finding that an appeal has been a. abandoned, the Board of Education may remove the student from school and seek tuition for up to one year of ineligible attendance pursuant to N.J.A.C. 6A:22-6.1(a) plus the period of ineligible attendance after the appeal was filed. If the record of the appeal includes a calculation reflecting the tuition rate(s) for the year(s) at issue, the per diem tuition rate for the current year and the date on which the student's ineligible attendance began, the Commissioner may order payment of tuition as part of his or her decision. In doing so, the Commissioner shall consider whether the ineligible attendance was due to the school district's error. If the record does not include such a calculation and the Board of Education has filed a counterclaim for tuition, the counterclaim shall proceed to a hearing notwithstanding that the petition has been abandoned.
- b. An order of the Commissioner assessing tuition is enforceable through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division, in accordance with N.J.S.A. 2A:58-10.
- 3. Tuition assessed pursuant to the provisions of N.J.A.C. 6A:22-6 shall be calculated on a per-student basis for the period of a student's ineligible enrollment, up to one year, by applicable grade/program category and consistent with the provisions of N.J.A.C. 6A:23A-17.1. The individual student's record of daily attendance shall not affect the calculation.
- 4. Nothing in N.J.A.C. 6A:22 shall preclude an equitable determination by the Board of Education or the Commissioner that tuition shall not be assessed for all or part of any period of a student's ineligible attendance in the school district when the particular circumstances of a matter so warrant. In making the determination, the Board of Education or Commissioner shall consider whether the ineligible attendance was due to the school district's error.
