X. PUBLIC COMMENTS ON AGENDA ITEMS ONLY

Public comment shall be governed by the Board of Education Bylaw 0167. There are two public comment opportunities. The first public comment is reserved for Action Items only, those items on

Allamuchy Board of Education

Regular Meeting Minutes

October 26, 2020

the agenda the Board is voting on this evening. The second public comment is set aside for public comment on any school or school district issue that the public feels may be of concern to the residents of the school district. The first public comment is limited to five (5) minutes per person. The second public comment length is determined by the board as per policy.

Before making a public comment, participants are to state their name, place of residence, and group affiliation if appropriate.

The Board uses the public comment period as an opportunity to listen to citizen concerns, but please be aware that not all issues brought to a board meeting will be resolved this evening; rather, the Board will, in appropriate cases, delegate the authority to investigate the matter to the Superintendent or his designee.

Please let the record reflect that the Board of Education does not endorse your comments nor will the Board of Education be held liable for comments you make about a staff member or other person which the staff member or other person may consider defamatory and/or libelous, as that individual retains all rights to pursue any legal remedies against you.

- Ms. Moyer - asked if the fundraising for Band in 2019-20 for the spring 2020 Dorney trip could be rolled over to future years and/or future siblings.
 - Ms. Strutin responded that the policy does not currently allow for that and that the Governance committee opted not to change that policy
- Ms. Moyer - asked why the RFQ for the SA audit was on the agenda
- Ms. Ozcan - expressed disapproval over the new 9-period schedule; further expressed appreciation for the efforts of the teachers
- Ms. Steeples - also disappointed with the new 9-period schedule; also expressed appreciation for the teachers

This POLICY ALERT replaces and/or adds Policy and/or Regulation Guides in the following sections: 1000, 2000, 5000, 6000, 7000, and 8000.

Please note the comments below are organized as follows:

0000 NAME OF POLICY

This paragraph describes a development at the State or Federal level.

This paragraph describes the effect of the development on local Board policy. Local policy is **MANDATED** by law or monitoring standards, (these policies will be designated with a “M” in the upper right hand corner), **RECOMMENDED** by sound management practices, or merely **SUGGESTED** as may be appropriate to meet your district needs.

NEW JERSEY POLICY ALERT Policy Alert and Support System

These Policy and Regulation Guides should be used to update the Policy and Regulation Manuals of the school district. If your district manual(s) contain any of the policies or regulations contained in this Policy Alert, they must be updated for your district manual(s) to remain current and in compliance with law. It does not matter whether or not the policy or regulation is MANDATED, all policies and regulations in district manuals contained in this Alert should be updated.

Subscribers to Strauss Esmay's Policy Alert & Support System (PASS) receive new and/or revised policies and regulations in paper copy and electronically either through email or download from Strauss Esmay's website, www.straussesmay.com. For your convenience, the revised policies and regulations have changes indicated by ~~strike throughs~~ to denote required text deletions and **bolded text** to indicate new material. The **Policy Alerts** tab on our website contains two different folders: one titled "Alert in one Word document" with ~~strike throughs~~ and **bolded text**; and the second titled "[Alert in one Word document - NO BOLDS OR STRIKETHROUGHS](#)" with ~~strike throughs~~ and **bolded text** removed for a clean document. Policy and Regulation Guides enclosed in this mailing are double sided as a cost containment and paper conservation measure.

P 1620 – Administrative Employment Contracts (M) (Revised)

Policy Guide 1620 has been revised in response to a recent New Jersey Appellate Court case (*Wall Township Education Association v. Wall Township Board of Education*, DKT. NO. 252-10/17, Commissioner of Education, 01 June 2018). The Court overturned a Commissioner of Education decision regarding the public notice and hearing requirements for an administrative contract that is rescinded or terminated by the Board before it is due to expire and the parties agree to new employment terms. A Board of Education rescinded an existing Superintendent's contract and provided the Superintendent with a new contract. The Board followed the statutory language and a New Jersey Department of Education (NJDOE) Guidance and did not provide public notice or have a public hearing. This action was challenged. The Commissioner upheld the written language of the law, the NJDOE Guidance, and the Board's action indicating public notice and a public hearing is not required when an existing contract is rescinded and a new contract is approved. N.J.S.A. 18A:11-11 does not include the term "rescind" when indicating a public notice and hearing is required. The Appellate Court, on appeal, overturned the Commissioner's decision and indicated the legislative intent of N.J.S.A. 18A:11-11 was to require a public notice and hearing under these circumstances, which was contrary to the Commissioner's decision, NJDOE Guidance, and a Memorandum from the Executive County Superintendent. Policy Guide 1620 has been revised to require a public notice and hearing under these circumstances. In addition, Policy Guide 1620 has been revised to reflect P.L. 2019, Chapter 169 which, among other issues, abolished the Superintendent salary caps and made several revisions related to abolishing the salary caps in N.J.S.A. 18A:7-8, N.J.S.A. 18A:7-8.1, and N.J.S.A. 18A:17-19.2. Policy Guide 1620 is now mandated based on the Appellate Court case.

P 2431 – Athletic Competition (M) (Revised)

R 2431.1 – Emergency Procedures for Sports and other Athletic Activity (M) (Revised)

P.L. 2019, c. 292 was passed and is effective for the 2020-2021 school year. The new law was codified at N.J.S.A. 18A:40-41.11 through 18A:40-41.12 and requires school districts that include any of the grades six through twelve to establish and implement an emergency action plan for responding to a serious or life-threatening sports-related injury sustained while participating in sports and other athletic activities. N.J.S.A. 18A:40-41.11 outlines the required information that must be included in the emergency action plan and requires the plan to be reviewed annually and updated as necessary.

Strauss Esmay has revised Policy Guide 2431 and Regulation Guide 2431.1 to comply with the requirements of the new law. Policy Guide 2431 now includes language required for districts with any grades six through twelve and is optional for a district without any of the grades six through twelve addressing the statutory requirement mandating a Board establish and implement an emergency action plan in accordance with N.J.S.A. 18A:40-41.11.

The title of Regulation Guide 2341.1 has been revised to “Emergency Procedures for Sports and other Athletic Activity” to align with the new language in N.J.S.A. 18A:40-41.11 and 18A:40-41.12. Regulation Guide 2431.1 Section C. “Emergency Procedures” is now titled “Emergency Action Plan and Procedures” and has been revised to align with the language from the new law and outlines all of the requirements placed on school districts by N.J.S.A. 18A:40-41.11. This section of the Regulation Guide is required for a district with any grades six through twelve and is optional for a district without any of the grades six through twelve. These Policy and Regulation Guides are mandated.

Regulation Guide 2431.1 is **MANDATED**

P 2451 – Adult High School (M) (Revised)

Policy Guide 2451 has been updated for school districts that operate or may operate an adult high school where a State-endorsed diploma is issued by the Board of Education to an out-of-school adult. N.J.S.A. 18A:50-1 et seq. is the chapter of the statutes authorizing a Board of Education to establish a program of adult education. N.J.A.C. 6A:20-2.1 et seq. is the administrative code chapter governing the opening and operating of an adult high school program. Policy Guide 2451 has been revised to provide additional guidance to a school district that operates or may operate an adult high school and to align with the structure of the controlling administrative code sections of N.J.A.C. 6A:20-2.1 et seq. Policy Guide 2451 is only mandated for a school district that operates or may operate an adult high school program and should replace the district’s existing Policy Guide 2451.

P 2464 – Gifted and Talented Students (M) (Revised)

P.L. 2019, c. 338 was passed and is effective for the 2020-2021 school year. The new law was codified at N.J.S.A. 18A:35-34 through 18A:35-39 and outlines the requirements placed on school districts regarding their Gifted and Talented Education Programs. Policy Guide 2464 has been updated to better align with the language in N.J.S.A. 18A:35-34 through 18A:35-39. The revisions include requirements regarding the accessibility and development of the Gifted and Talented Education Program, submission of an annual report to the New Jersey Department of Education (NJDOE), a complaint procedure for individuals who believe the district has violated N.J.S.A. 18A:35-34 through 18A:35-39, and notice requirements for the district's policy on Gifted and Talented Education Programs.

The corresponding Regulation Guide that outlines the identification and selection process and the program to be offered in a school district has not been revised as the NJDOE does not endorse a program or model and districts have local control over these issues. Therefore, the procedures in the Regulation Guide should be unique to each school district and should include the details of the school district's program. Most importantly, all school districts must have a Board-approved Gifted and Talented Program for students in grades Kindergarten through twelve. The Program is mandated and the Policy must be adopted by the Board. This Policy Guide is the same Policy Guide that has been available for download on www.straussesmay.com since September 21, 2020.

P 5330.05 – Seizure Action Plan (M) (New)

R 5330.05 – Seizure Action Plan (M) (New)

P.L. 2019, c. 290 was recently passed and codified at N.J.S.A. 18A:40-12.34 through 40-12.38. These new statutes require the parent of a student with epilepsy or a seizure disorder to submit the student's seizure action plan on an annual basis to the school nurse. The seizure action plan is a comprehensive document provided by the student's physician, advanced practice nurse, or a physician's assistant which includes information regarding the student's seizure history and treatment. The school nurse shall develop an individualized health care plan and an individualized emergency health care plan for the student provided the parent of the student annually provides to the Board written authorization for the provision of epilepsy or seizure disorder care. These plans shall be updated annually by the school nurse. The new statutes require the school district to coordinate epilepsy and seizure disorder care at school and ensure that all staff are trained in the care of students with epilepsy and seizure disorder, including staff working with school-sponsored programs outside the regular school day. School bus drivers, contracted and district-employed, shall be provided notice and information if they are transporting a student with epilepsy or a seizure disorder. New Policy and Regulation Guides 5330.05 have been developed to address the requirements of the new statutes and the school district's responsibility in caring for students with epilepsy and seizure disorders. These new statutes and the requirements of the law are effective for the 2020-2021 school year. Policy and Regulation Guides 5330.05 are mandated for all school districts.

P 6440 – Cooperative Purchasing (M) Revised

Policy Guide 6440 has been revised to reflect changes in N.J.A.C. 5:34-7 et seq. that governs Public School Contracts Law - Cooperative Purchasing and N.J.S.A. 18A:18A-11 that governs joint purchases by school districts. Policy Guide 6440 has been revised to include updated definitions for “lead agency”, “registered members”, “cooperative purchasing system”, and “joint purchasing system”. Language has been removed from this Policy Guide that was redundant. Two legal cites that were no longer accurate have been updated. Policy Guide 6440 is now mandated due to these statutory requirements.

P 6470.01 – Electronic Funds Transfer and Claimant Certification (M) (New)

R 6470.01 – Electronic Funds Transfer and Claimant Certification (M) (New)

The New Jersey Department of Community Affairs (DCA) recently published Local Finance Notice, LFN 2018-13, providing guidance to public entities, including Boards of Education and Charter School Boards, on the use of electronic funds transfer (EFT) for payment of claims electronically. Updated administrative code N.J.A.C. 5:30-9A et seq. and N.J.A.C. 5:31-4 implementing N.J.S.A. 40A:5-16.5 provide the details for a school district and charter school using an EFT technology for payment of claims electronically in lieu of paper checks.

School districts and charter schools operate under the provisions of N.J.S.A. 18A, but several provisions of the recently revised EFT administrative code for other public entities are available to school districts and charter schools. These provisions are outlined in the administrative code and LFN 2018-13. New Policy and Regulation Guides 6470.01 have been developed for school districts and charter schools that want to use EFTs for payment of claims. School districts and charter schools are not required to use EFTs for payment of claims, but N.J.S.A. 40A:5-16.5.a requires a Policy and Regulation for school districts and charter schools that decide to use EFTs for the payment of claims. Below is a summary of the provisions in the statute, administrative code, and LFN.

N.J.S.A. 40A:5-16.5.b requires a policy specify the EFT methods that may be used to electronically pay claims. Policy and Regulation Guides 6470.01 indicate the EFT methods will be only those permitted by statute and code, which currently include wire transfers, e-checks, and automated clearing house (ACH) transfers.

The statute and administrative code require the School Business Administrator/Board Secretary, as the Chief Financial Officer, to be responsible for the oversight and administration of the policy and to document and implement internal controls to mitigate the potential for fraud and abuse.

NEW JERSEY POLICY ALERT Policy Alert and Support System

The statute and administrative code require adequate segregation of duties between the initiation, authorization, and review functions associated with EFTs. Policy Guide 6470.01 assigns initiation of an EFT payment to the School Business Administrator/Board Secretary and the authorization to pay the claim using an EFT method to the Superintendent or a designee not under the direct supervision of the School Business Administrator/Board Secretary.

The statute and administrative code require the School Business Administrator/Board Secretary, as the Chief Financial Officer, prepare EFT Activity Reports to be reviewed by an employee or non-employee (i.e. school auditor, accountant, Board President) on at least a weekly basis. Policy and Regulation Guides 6470.01 require these Activity Reports be provided to the Board at the first regular monthly Board meeting following the EFT transaction. The administrative code and LFN require these Activity Reports be maintained for audit. Board approval of the expenditures included on the weekly Activity Reports is not required because the EFT transaction only addresses the payment process after the Board has previously approved the payment of the claim on the bill list.

The LFN and Policy and Regulation Guides 6470.01 require all EFT transactions be reconciled with bank statements and accounting records on a monthly basis.

The LFN indicates several EFT options available to other governmental units are not available to school districts. The LFN indicates automated debits, payment services, procurement cards, bank charge cards, and charge cards issued by a specific vendor are not authorized for use by a Board of Education as indicated in the LFN and pursuant to law.

The LFN indicates the Board should annually, at its reorganization meeting, approve the individuals with EFT responsibilities. Therefore, for Boards of Education the following individuals, with responsibilities outlined below, must be approved by the Board:

1. School Business Administrator/Board Secretary - Shall be responsible to initiate a claim for payment using an EFT method that has been approved in accordance with the N.J.S.A. 18A:19-1 et seq. and Policy and Regulation 6470.01 and to make the payment once authorization is granted.
2. The Superintendent of Schools or the Superintendent's designee not under the direct supervision of the School Business Administrator/Board Secretary - Shall be responsible to review and authorize, in writing, the EFT payment of claim using an EFT technology that was initiated and presented by the School Business Administrator/Board Secretary.
3. An employee, non-employee, Board President, or other individual who is not under the direct supervision of the School Business Administrator/Board Secretary - Shall be responsible to review all EFT weekly Activity Reports on all EFT-based transactions.

NEW JERSEY POLICY ALERT

Policy Alert and Support System

Payment of claims using an EFT technology must strictly comply with statutes, administrative code, the LFN, and Policy and Regulation Guides 6470.01. A Board of Education that is considering the adoption of this Policy and Regulation should review N.J.A.C. 5:30-9A and 5:31-4 implementing N.J.S.A. 40A:5-16.5, the DCA's LFN 2018-13, and Policy and Regulation Guides 6470.01 with their Board auditor. These Policy and Regulation Guides should not be adopted by a Board of Education that does not want to permit EFT transactions for the payment of claims. However, Policy and Regulation Guides 6470.01 are mandated and must be adopted by a Board of Education to permit the use of EFT transactions for the payment of claims.

P 7440 – School District Security (M) (Revised) **R 7440 – School District Security (M) (Revised)**

P.L. 2019, c. 478 was passed and is effective for the 2020-2021 school year. The new law was codified at N.J.S.A. 18A:41-14 and requires school districts to annually conduct a school safety audit for each school building in the district using a checklist developed by the New Jersey Office of Homeland Security and Preparedness. The district must submit the completed audit to the New Jersey Office of Homeland Security and Preparedness and the New Jersey Department of Education. N.J.S.A. 18A:41-14 also outlines what is included on the checklist. Policy and Regulation Guides 7440 have been revised to address the new requirements outlined in N.J.S.A. 18A:41-14. Policy Guide 7440 has been revised to include language addressing the requirement the district annually conduct security audits in accordance with the new law. Regulation Guide 7440 has been revised to include a new section “H. Annual School Safety Audit for Each School Building” which thoroughly outlines the new law and the requirements for school districts. These Policy and Regulation Guides are mandated.

P 7450 – Property Inventory (M) (Revised)

In accordance with the updated “Uniform Minimum Chart of Accounts for New Jersey Public Schools and Approved Private Schools for Students with Disabilities” 2020-2021 edition published by the New Jersey Department of Education (NJDOE), Policy Guide 7450 has been revised to more accurately reflect the definitions of “equipment” and “supply”. The revised Policy Guide also includes language from the NJDOE’s chart of accounts that states the Board will use the criteria outlined in the revised definitions to make distinctions when recording property inventory in the district. An outdated New Jersey administrative code cite was also removed. Policy Guide 7450 is now mandated in accordance with the “Uniform Minimum Chart of Accounts”.

P 7510 – Use of School Facilities (M) (Revised)

R 7510 – Use of School Facilities (M) (Revised)

P.L. 2019, c. 480 was approved and is effective for the 2020-2021 school year. The new law revised N.J.S.A. 18A:41-7 and requires school districts ensure all persons who supervise youth programs that are not sponsored by the school district and operate a program in a school district building before or after hours, are provided with information and training on the school district's practices and procedures on school safety and security, including non-confidential information on school building security drills, evacuation procedures, and emergency response protocols. It is the responsibility of the organization that sponsors the youth program to train the program's employees and volunteers on school security and emergency procedures in the school building where the youth program is located. The organization shall submit a statement of assurance to the district indicating this training has been completed.

Policy and Regulation Guides 7510 have been revised to reflect the changes to N.J.S.A. 18A:41-7 and provides districts with language that is in compliance with the new mandates. Policy Guide 7510 has been revised to include a statement that the Board shall provide the safety and security information to the organization that sponsors the youth program in accordance with N.J.S.A. 18A:41-7. Regulation Guide 7510 has been revised to include a new section "G. Provision of Training on School Safety and Security" which thoroughly outlines the new requirements of the law.

Strauss Esmay recommends the plan the district provides to organizations that sponsor and host youth programs on school grounds be the district's safety and security plan with all confidential information on school security drills, evacuation procedures, and emergency response protocols removed.

Most school districts have a locally-developed Use of School Facilities Policy and Regulation. If a district is not using Strauss Esmay's Policy and Regulation Guides 7510, it is strongly recommended the N.J.S.A. 18A:41-7 provisions on school safety and security training be incorporated into the district's current locally-developed Use of School Facilities Policy and Regulation. Due to the new requirements mandated in N.J.S.A. 18A:41-7, Policy and Regulation Guides 7510 are now mandated.

P 8420 – Emergency and Crisis Situations (M) (Revised)

P.L. 2019, c. 480 was approved and is effective for the 2020-2021 school year. The new law revised N.J.S.A. 18A:41-7 and requires school districts to ensure that individuals employed in the school district in a substitute capacity are provided with information and training on the school district's practices and procedures on school safety and security. The revision to the statute requires the substitute employee be trained in instruction on school security drills, evacuation procedures, and emergency response protocols. Strauss Esmay has revised Policy Guide 8420 to include the new language in N.J.S.A. 18A:41-7 regarding substitute employees. Policy Guide 8420 is mandated.

P 8561 – Procurement Procedures for School Nutrition Programs (M) (Revised)

The New Jersey Department of Agriculture (NJDA) has been conducting audits of school districts to verify compliance with the new Federal regulations regarding procurement procedures for the United States Department of Agriculture's (USDA) School Nutrition Programs. Strauss Esmay worked with the first school district in the State audited under these new requirements and the NJDA to develop Policy Guide 8561 to ensure compliance with the USDA's new regulations. Policy Guide 8561 was provided to school districts in Policy Alert 215 - April 2018 and revised in Policy Alert 216 - July 2018 to include minor revisions released by the NJDA. Strauss Esmay also revised the "Federal Funds Procurement Method Selection Chart" in the Appendix in January 2019 after there were additional revisions announced by the NJDA.

Strauss Esmay was notified by the NJDA that their model policy, which was the basis for Strauss Esmay's Policy Guide 8561, was revised in August 2020. We have included these revisions in Policy Guide 8561 to be in compliance with the NJDA's guidance.

Please be advised the NJDA has requested general procurement questions be directed to Emma Davis-Kovacs at (609) 984-1438 or emma.davis-kovacs@ag.nj.gov. Questions specifically dealing with food service management company (FSMC) contracts should be directed to Nani Lepicard at (609) 984-0698 or nani.lepicard@ag.nj.gov.

School districts participating in any USDA School Nutrition Program, either self-operated or with a FSMC, are required to adopt Policy Guide 8561 making Policy Guide 8561 mandated for those school districts. School districts not participating in a USDA School Nutrition Program are not required to adopt this Policy Guide.

RESTART and RECOVERY PLAN POLICY GUIDES

Strauss Esmay developed a Restart and Recovery Plan Template that has been available for download since July 15, 2020. Strauss Esmay also developed Policy Guide 1649 – Federal Families First Coronavirus (COVID-19) Response Act that was previously included in Policy Alert 220. Subsequent to Policy Alert 220, the following Policy Guides were made available for download from Strauss Esmay since July 15, 2020. The summaries of these additional Policy Guides are provided below.

P 1648 – Restart and Recovery Plan (M) (New) *

Original Version [Available for Download Since July 15, 2020]

On June 26, 2020, the New Jersey Department of Education (NJDOE) published “The Road Back: Restart and Recovery Plan for Education” (NJDOE Guidance), a guidance document for reopening New Jersey schools in September 2020 during the COVID-19 pandemic. School districts are required to develop a Restart and Recovery Plan (Plan) for the reopening of schools for September 2020 that is consistent with the NJDOE Guidance. The NJDOE Guidance indicates each school district must develop, in collaboration with community stakeholders, the details of their Plan to reopen schools in September 2020. Strauss Esmay has developed a Plan Template a school district may use in developing their Plan.

The Plan Template includes items a school district should incorporate into their Plan referred to as “anticipated minimum standards” in the NJDOE Guidance and identifies those areas where the school district must develop protocols that best fit the district’s local needs. The Plan Template is designed to have a school district insert its locally developed protocols into an Appendices section of the Plan Template, which would complete the school district’s Plan.

Strauss Esmay has reviewed the NJDOE Guidance and identified those areas that require a Board Policy. In addition, we have identified areas in the NJDOE Guidance that indicate the school district “must” take specific action. Policy Guide 1648 – Restart and Recovery Plan is a Policy Guide that includes the areas in the NJDOE Guidance that *require* a Policy and areas in the NJDOE Guidance that indicate a school district *must* take specific action. **Sections of the Policy Guide reference Appendices that must be attached to this Policy. These Appendices are the same locally developed protocols school officials included in the school district’s Restart and Recovery Plan.**

The school district must attach Appendices C, E, F, G, K, N, and O from the district’s Restart and Recovery Plan to Policy 1648 in order to meet the Policy requirements of the NJDOE Guidance.

Strauss Esmay believes adopting one Policy that addresses the NJDOE’s Guidance and having to abolish just one Policy when this pandemic is over is preferred to revising six or seven policies now and then revising the same six or seven policies when this pandemic is over. This Policy Guide shall only be effective through the current COVID-19 pandemic and will take precedence over any existing district Policy or Regulation on the same or similar subject, unless determined otherwise by the Superintendent.

P 1648 - Restart and Recovery Plan (M) (Revised)

Revised Version [Available for Download Since August 20, 2020]

In an August 3, 2020 Memorandum, the Governor and the Commissioner of Education updated the June 26, 2020 New Jersey Department of Education (NJDOE) Guidance, “The Road Back: Restart and Recovery Plan for Education,” revising the “anticipated minimum standards” under Critical Areas of Operation #3 - Transportation and #5 – Screening, PPE, Response to Student and Staff Presenting Symptoms. These revised “anticipated minimum standards” now require all students to wear face coverings subject to several exceptions.

Policy Guide 1648 has been revised to incorporate the new face covering requirements of Critical Area of Operation #3 – Transportation and Critical Area of Operation #5 – Screening, PPE, and Response to Student and Staff Presenting Symptoms. In addition, the reference to student face coverings in Critical Area of Operation #2 – Classrooms, Testing, and Therapy Rooms and Critical Area of Operation #4 - Student Flow, Entry, Exit, and Common Areas of the NJDOE Guidance does not need to be included in this Policy Guide, but will require a revision in the Strauss Esmay Plan Template. This revised Policy Guide 1648 was made available for download under the Policy Alerts tab - “Other Downloads” section on August 20, 2020.

P 1648.02 – Remote Learning Options for Families (M) (New)

[Available for Download Since July 31, 2020]

On July 24, 2020, the New Jersey Governor and Commissioner of Education published guidance titled “Clarifying Expectations Regarding Fulltime Remote Learning Options for Families 2020-2021” (Remote Learning Guidance), regarding full-time remote learning. The Remote Learning Guidance is in response to the COVID-19 pandemic and supplements the New Jersey Department of Education June 26, 2020 guidance document, “The Road Back: Restart and Recovery Plan for Education” (NJDOE Guidance). This Remote Learning Guidance includes an additional “anticipated minimum standard,” as this phrase is used throughout the NJDOE Guidance. This additional “anticipated minimum standard” (required component) provides that, in addition to the methods and considerations explicitly referenced in the NJDOE Guidance for scheduling students for in-person, remote, or hybrid learning, families/guardians (hereinafter referred to as “parents”) may submit, and school districts shall accommodate, requests for full-time remote learning.

To ensure clarity and consistency in implementation of such full-time remote learning, the Remote Learning Guidance requires Boards of Education adopt policies that address, at a minimum:

NEW JERSEY POLICY ALERT Policy Alert and Support System

1. Unconditional Eligibility for Full-Time Remote Learning;
2. Procedures for Submitting Full-Time Remote Learning Requests;
3. Scope and Expectations of Full-Time Remote Learning;
4. Procedures to Transition from Full-Time Remote Learning to In-Person Services;
5. Reporting; and
6. Procedures for Communicating District Policy with Families.

Policy Guide 1648.02 has been developed to address the provisions in the Remote Learning Guidance, including all six areas listed above. Policy Guide 1648.02 must be adopted by the Board.

The Remote Learning Guidance requires school districts to provide a process for a parent to request full-time remote learning which shall be included in a school district's Restart and Recovery Plan (Plan) in addition to the required methods and considerations explicitly referenced in the NJDOE Guidance for scheduling students for in-person, remote, or hybrid learning. Therefore, in addition to the Board adopting Policy Guide 1648.02, Policy Guide 1648.02 must be added to the school district's Plan submitted to the Executive County Superintendent. The last provision in Policy Guide 1648.02 indicates this Policy Guide will also be included in the school district's Plan as "Appendix Q – Remote Learning Options for Families." Policy Guide 1648.02/Appendix Q provides the process for a student to transition into and out of full-time remote learning as required in the Remote Learning Guidance. This process will supplement the school district's locally developed protocols for in-person and/or hybrid instruction and virtual/remote learning in the school district's Plan "Appendix N – Scheduling of Students." Policy Guide 1648.02 has several options a school district must select regarding the written request from a parent to address a student transitioning between full-time remote and in-person services.

This Summary, Policy Guide 1648.02, and a supplemental Appendix page for Appendix Q were made available for download under the "Policy Alerts" tab – "Other Downloads" section on our website, www.straussesmay.com, on July 31, 2020. This Policy Guide is mandated and must be adopted by the Board and also included under Appendix Q in the school district's Plan.

P 1648.03 – Restart and Recovery Plan – Full-Time Remote Instruction (M) (New)

[Available for Download Since August 20, 2020]

On August 13, 2020, the Governor of New Jersey signed Executive Order 175 indicating public school districts shall resume partial or full-time in-person instruction during the fall of school year 2020-2021. However, Executive Order 175 also indicates public school districts that are or become unable to satisfy the health and safety requirements for in-person instruction delineated in the NJDOE's "Checklist for Re-Opening of School 2020-2021" and detailed in the "The Road Back: Restart and Recovery Plan for Education" (NJDOE Guidance), may provide full-time remote instruction to all students pursuant to N.J.S.A. 18A:7F-9.

School districts that determine they cannot provide in-person instruction must submit documentation to the Department of Education that includes, among other things, a date by which the school or school district anticipates the resumption of in-person instruction. Policy Guide 1648.03 has been developed to incorporate the full-time remote instruction option addressed in the August 13, 2020 Executive Order 175.

This new Policy Guide 1648.03 must be adopted by the Board and was made available for download under the "Policy Alerts" tab – "Other Downloads" section of our website, www.straussesmay.com, on August 20, 2020.

1620 ADMINISTRATIVE EMPLOYMENT CONTRACTS

The Executive County Superintendent shall review and approve for all Superintendents **of Schools**, **Superintendents of Schools reappointed pursuant to N.J.S.A. 18A:17-20.1**, Deputy Superintendents **of Schools**, Assistant Superintendents **of Schools**, and School Business Administrators, **including any interim, acting, or person otherwise serving in these positions**, in school districts, county vocational school districts, county special services school districts and other districts, except charters, within the County under the supervision of the Executive County Superintendent:

1. New employment contracts, including contracts that replace expired contracts for existing tenured and non-tenured employees;
2. Renegotiations, extensions, amendments, or other alterations of the terms of existing employment contracts that have been previously approved by the Executive County Superintendent; and
3. Provisions for contract extensions where such terms were not included in the original employment contract or are different from the provisions contained in the original approved employment contract.

In counties where there is no Executive County Superintendent, **an Executive County Superintendent from another county shall be designated by the Commissioner to** ~~or Acting Executive County Superintendent, the Assistant Commissioner for Field Services shall~~ review and approve all ~~above~~ contracts listed above.

The contract review and approval shall take place prior to any required public notice and hearing pursuant to N.J.S.A. 18A:11-11 and prior to the Board **of Education** approval and execution of ~~those the~~ contracts to ensure compliance with all applicable laws, including but not limited to N.J.S.A. 18A:30-3.5, 18A:30-9, 18A:17-15.1 and 18A:11-12.

~~The public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 is applicable to a Board that renegotiates, extends, amends, or otherwise alters the terms of an existing contract with the Superintendent of Schools, Deputy Superintendent, Assistant Superintendents, or School Business Administrator.~~

In accordance with the provisions of N.J.S.A. 18A:11-11 and N.J.A.C. 6A:23A-3.1(c)1, the public notice and public hearing required shall be applicable to a Board of Education that renegotiates, extends, amends, or otherwise alters the terms of an existing contract with a Superintendent of Schools, Deputy Superintendent of Schools, Assistant Superintendent of Schools, or School Business Administrator. In accordance with N.J.S.A. 18A:11-11, notice must be provided to the public at least thirty days prior to the scheduled action by the Board. The Board shall also hold a public hearing and shall not take any action on the matter until the hearing has been held. The Board shall provide the public with at least ten days' notice of the public hearing.

In accordance with N.J.A.C. 6A:23A-3.1(c)1, the public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 shall not apply to new contracts, including contracts that replace expired contracts for existing employees in one of these positions, whether tenured or not tenured. Nothing shall preclude a Board from issuing a public notice and/or holding a public hearing on new contracts, including new contracts that replace expired contracts for existing tenured and non-tenured employees.

The public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 is also required in the event an existing contract for a Superintendent of Schools, Deputy Superintendent of Schools, Assistant Superintendent of Schools, or School Business Administrator is rescinded or terminated by the Board of Education before it is due to expire and the parties agree to new employment terms.

Administrative Employment Contracts

In connection with the Executive County Superintendent's review of the contract, the Board shall provide the Executive County Superintendent with a detailed statement setting forth the total cost of the contract for each applicable year, including salary, longevity (if applicable), benefits, and all other emoluments.

The review and approval **of the employment contracts of Superintendents of Schools, Deputy Superintendents of Schools, Assistant Superintendents of Schools, and School Business Administrators conducted by the Executive County Superintendent** shall be consistent with the following additional standards **outlined in N.J.S.A. 18A:7-8.1 and N.J.A.C. 6A:23A-3.1**:

1. Contracts for each class of administrative position shall be comparable with the salary, benefits and other emoluments contained in the contracts of similarly credentialed and experienced administrators in other school districts in the region with similar enrollment, academic achievement levels and challenges, and grade span.
2. No contract shall include provisions that are inconsistent with the travel requirements pursuant to N.J.S.A. 18A:11-12 and N.J.A.C. 6A:23A-7 including, but not limited to, the provisions for mileage reimbursement and reimbursement for meals and lodging in New Jersey. Any contractual provision that is inconsistent with law is superseded by the law.
3. No contract shall include provisions for the reimbursement or payment of employee contributions that are either required by law or by a contract in effect in the **school** district with other teaching staff members, such as payment of the employee's State or Federal taxes, or of the employee's contributions to FICA, Medicare, State pensions and annuities (TPAF), life insurance, disability insurance (if offered), and health benefit costs.
4. No contract shall contain a payment as a condition of separation from service that is deemed by the Executive County Superintendent to be prohibited or excessive in nature. The payment cannot exceed the lesser of the calculation of three months pay for every year remaining on the contract with pro-ration for partial years, not to exceed twelve months, or the remaining salary amount due under the contract.

5. No contract shall include benefits that supplement or duplicate benefits that are otherwise available to the employee by operation of law, an existing group plan, or other means; e.g., an annuity or life insurance plan that supplements or duplicates a plan already made available to the employee. Notwithstanding the provisions of this section, a contract may contain an annuity where those benefits are already contained in the existing contract between the employee and the district.
6. Contractual provisions regarding accumulation of sick leave and supplemental compensation for accumulated sick leave shall be consistent with N.J.S.A. 18A:30-3.5. Supplemental payment for accumulated sick leave shall be payable only at the time of retirement and shall not be paid to the individual's estate or beneficiaries in the event of the individual's death prior to retirement. Pursuant to N.J.S.A. 18A:30-3.2, a new Board of Education contract may include credit of unused sick leave in accordance with the new Board of Education's policy on sick leave credit for all employees.
7. Contractual provisions regarding accumulation of unused vacation leave and supplemental compensation for accumulated unused vacation leave shall be consistent with N.J.S.A. 18A:30-9. Contractual provisions for payments of accumulated vacation leave prior to separation can be included but only for leave accumulated prior to June 8, 2007 and remaining unused at the time of payment. Supplemental payments for unused vacation leave accrued consistent with the provisions of N.J.S.A. 18A:30-9 after June 8, 2007 as well as unused vacation leave accumulated prior to June 8, 2007 that has not been paid, shall be payable at the time of separation and may be paid to the individual's estate or beneficiaries in the event of the individual's death prior to separation.
8. Contractual provisions that include a calculation of per diem for twelve month employees shall be based on a two hundred sixty day work year.

9. ~~No provision for a bonus shall be made except where payment is contingent upon achievement of measurable specific performance objectives expressly contained in a contract approved pursuant to N.J.A.C. 6A:23A-3.1, where compensation is deemed reasonable relative to the established performance objectives, and achievement of the performance objectives has been documented to the satisfaction of the Board of Education.~~ **No provision for a merit bonus shall be made except where payment is contingent upon achievement of quantitative merit criterion and/or qualitative merit criterion:**
- a. **A contract may include no more than three quantitative merit criteria and two qualitative merit criteria per contract year.**
 - b. **The Executive County Superintendent shall approve or disapprove the selection of quantitative merit and qualitative merit criteria and the data that forms the basis of measuring the achievement of quantitative merit and qualitative merit criteria.**
 - c. **A contract may provide for merit bonuses in an amount not exceeding 3.33 percent of annual salary for each quantitative merit criterion achieved and 2.5 percent of annual salary for each qualitative merit criterion achieved. Any such merit bonus shall be considered "extra compensation" for purpose of N.J.A.C. 17:3-4.1 and shall not be cumulative.**
 - d. **The Board of Education shall submit to the Executive County Superintendent a resolution certifying that a quantitative merit criterion or a qualitative merit criterion has been satisfied and shall await confirmation of the satisfaction of that criterion from the Executive County Superintendent prior to payment of any merit bonus.**

[See POLICY ALERT No. 221]

1648 RESTART AND RECOVERY PLAN

On June 26, 2020, the New Jersey Department of Education (NJDOE) published “The Road Back – Restart and Recovery Plan for Education” (Guidance), a guidance document for reopening New Jersey schools during the COVID-19 pandemic. The Guidance provided school officials with the information necessary to ensure that schools reopen safely and are prepared to accommodate staff and students’ unique needs during these unprecedented times. The NJDOE required school districts in the State to develop, in collaboration with community stakeholders, a “Restart and Recovery Plan” (Plan) to reopen schools that best fits the district’s local needs.

The Guidance requires the Board of Education to adopt certain policies and the Board adopts Policy 1648 to address those policy requirements in the Guidance. Policy 1648 shall only be effective through the current COVID-19 pandemic and will take precedence over any existing Policy on the same or similar subject, unless determined otherwise by the Superintendent. ■

A. NJDOE Guidance – Key Subject Area 1 – Conditions for Learning

1. Transportation

- a. If the school district is providing transportation services on a ~~district-owned school bus, but is unable to maintain social distancing,~~ a face covering must be worn **by all students** upon entering the school bus **unless doing so would inhibit the student’s health. It is necessary to acknowledge that enforcing the use of face coverings may be impractical for young children or individuals with disabilities. by all students who are able to do so in accordance with A.2.c. below. Exceptions to the face covering requirements shall be those outlined in A.2.d. below:**

- (1) Accommodations for students who are unable to wear a face covering should be addressed according to that student's particular need and in accordance with all applicable laws and regulations.

POLICY GUIDE

ADMINISTRATION

1648/page 2 of 11

Restart and Recovery Plan

- b. The school district shall use best practices for cleaning and disinfecting district-owned school buses and other transportation vehicles in accordance with A.3. below.
- c. District-employed school bus drivers and aides on district-owned school buses shall practice all safety actions and protocols as indicated for other school staff.
- d. If the school district is using contracted transportation services, the contractor shall ensure all Board of Education safety actions and protocols are followed by the contractor and its employees and/or its agents.

[See Policy Guide 1648 – Appendix C for the protocols/procedures for “Transportation” which is also included in the school district’s Restart and Recovery Plan.]

2. Screening, Personal Protective Equipment (PPE), and Response to Students and Staff Presenting Symptoms

- a. The school district shall screen students and employees upon arrival to a school building or work location for COVID-19 symptoms and a history of exposure.
 - (1) School staff must visually check students and employees for symptoms upon arrival (which may include temperature checks) and/or confirm with families that students are free of COVID-19 symptoms.
 - (2) Health checks must be conducted safely and respectfully, and in accordance with any applicable privacy laws and regulations.
 - (3) Results must be documented when signs/symptoms of COVID-19 are observed.

POLICY GUIDE

ADMINISTRATION

1648/page 3 of 11

Restart and Recovery Plan

- (4) The screening protocol will take into account students and employees with disabilities and accommodations that may be needed in the screening process for those students and employees.
 - (5) Students and employees with symptoms related to COVID-19 must be safely and respectfully isolated from others.
 - (6) If the school district becomes aware that an individual who has spent time in a school district facility tests positive for COVID-19, district officials must immediately notify local health officials, staff, and families of a confirmed case while maintaining confidentiality.
- b. School staff and visitors are required to wear face coverings unless doing so would inhibit the individual's health or the individual is under two years of age.
- (1) If a visitor refuses to wear a face covering for non-medical reasons and if such covering cannot be provided to the individual at the point of entry, the visitor's entry to the school/district facility may be denied.
- c. Students are **required** ~~strongly encouraged~~ to wear face coverings ~~and are required to do so when social distancing cannot be maintained~~, unless doing so would inhibit the student's health. It is ~~also~~ necessary to acknowledge that enforcing the use of face coverings may be impractical for young children or individuals with disabilities.
- (1) Accommodations for students who are unable to wear a face covering should be addressed according to that student's need and in accordance with all applicable laws and regulations.

d. Exceptions to the Requirement for Face Coverings

- (1) Doing so would inhibit the individual's health.
- (2) The individual is in extreme heat outdoors.
- (3) The individual is in water.
- (4) A student's documented medical condition, or disability as reflected in an Individualized Education Program (IEP), precludes the use of a face covering.
- (5) The student is under the age of two, **due to the and could risk of suffocation.**
- (6) **During the period a student is eating or drinking.**
- (7) **Face coverings should not be placed on anyone who has trouble breathing or is unconscious, or anyone who is incapacitated or otherwise unable to remove the face covering without assistance (e.g. face coverings should not be worn by Pre-K students during nap time).**
- (8) **The student is engaged in high intensity aerobic or anaerobic activities.**
- (9) **Face coverings may be removed during gym and music classes when individuals are in a well-ventilated location and able to maintain a physical distance of six feet apart.**
- (10) **When wearing a face covering creates an unsafe condition in which to operate equipment or execute a task.**

Restart and Recovery Plan

[See Policy Guide 1648 – Appendix E for the protocols/procedures for “Screening, PPE, and Response to Students and Staff Presenting Symptoms” which is also included in the school district’s Restart and Recovery Plan.]

3. Facilities Cleaning Practices

- a. The school district must continue to adhere to existing required facilities cleaning practices and procedures and any new specific requirements of the local health department as they arise.
- b. A procedure manual must be developed to establish cleaning and disinfecting schedules for schools and school equipment, targeted areas to be cleaned, and methods and materials to be used.

[See Policy Guide 1648 – Appendix G for the protocols/procedures for – “Facilities Cleaning Practices” which is also included in the school district’s Restart and Recovery Plan.]

4. Wraparound Supports

a. Mental Health Supports

The school district’s approach to student mental health supports will be affected by the learning environment in place at the beginning of the school year. If in-person instruction is not feasible, the district must find other ways to assess and monitor students’ mental health.

[See Policy Guide 1648 – Appendix K for the protocols/procedures for “Academic, Social, and Behavioral Supports” which is also included in the school district’s Restart and Recovery Plan.]

5. Contact Tracing

POLICY GUIDE

ADMINISTRATION

1648/page 6 of 11

Restart and Recovery Plan

- a. Upon notification that a resident has tested positive for COVID-19, the local health department will call the school district to determine close contacts to whom they may have spread the virus, where close contact is defined as being within six feet for a period of at least ten minutes.
- b. The school district shall assist the local health department in conducting contact tracing activities, including ongoing communication with the identified individual and/or their contacts.
- c. The school district shall ensure adequate information and training is provided to the staff as necessary to enable staff to carry out responsibilities assigned to them.
- d. A staff liaison(s) shall be designated by the Superintendent or designee and shall be responsible for providing notifications and carrying out other components that could help ensure notifications are carried out in a prompt and responsible manner.
- e. School districts shall allow staff, students, and families to self-report symptoms and/or suspected exposure.

[See Policy Guide 1648 – Appendix F for the protocols/procedures for “Contact Tracing” which is also included in the school district’s Restart and Recovery Plan.]

B. NJDOE Guidance – Key Subject Area 2 – Leadership and Planning

1. Scheduling

- a. The school district’s Plan must account for resuming in-person instruction and shall provide steps to shift back to virtual learning models if circumstances change and in-person instruction guidelines can no longer be followed.

POLICY GUIDE

ADMINISTRATION

1648/page 7 of 11

Restart and Recovery Plan

- b. The school district's Plan accommodates opportunities for both synchronous and asynchronous instruction, while ensuring requirements for a 180-day school year are met.
- c. The school district recognizes special populations will require unique considerations to ensure the continuity of learning as well as the health and safety of students and staff within the least restrictive environment.
 - (1) Special Education and English Language Learners (ELL)
 - (a) The school district shall provide educators with professional development to best utilize the accessibility features and accommodations tools made available through technology-based formats in accordance with this Policy.
 - (b) The school district shall continue to ensure students receive individualized supports that meet the requirements of the IEP and 504 Plans.

[See Policy Guide 1648 – Appendix N for the protocols/procedures for “Scheduling of Students” which is also included in the school district's Restart and Recovery Plan.]

2. Staffing

- a. The school district shall comply with all applicable employment laws when making staffing and scheduling requirements, including, but not limited to, the Americans Disabilities Act (ADA), the Health Insurance Portability and Accountability Act (HIPPA), and all applicable State laws.

POLICY GUIDE

ADMINISTRATION

1648/page 8 of 11

Restart and Recovery Plan

- b. As the school district adjusts schedules, teaching staff members must maintain quality instruction for students pursuant to the minimum requirements set forth in NJDOE regulation.

[See Policy Guide 1648 – Appendix O for the protocols/procedures for “Staffing” which is also included in the school district’s Restart and Recovery Plan.]

C. NJDOE Guidance – Key Subject Area 3 – Policy and Funding

1. School Funding

a. Purchasing

The school district may likely need to purchase items not needed in the past and may experience increased demand for previously purchased goods and services to implement the Plan. The school district shall continue to comply with the provisions of the “Public School Contracts Law”, N.J.S.A. 18A:18A-1 et seq.

b. Use of Reserve Accounts, Transfers, and Cashflow

The school district shall apply for the approval from the Commissioner of Education, prior to performing certain budget actions, such as withdrawing from the emergency reserve account or making transfers that cumulatively exceed ten percent of the amount originally budgeted.

c. Costs and Contracting

The school district shall follow all New Jersey State laws and regulations applicable to local school districts for purchasing when procuring devices and connectivity or any technology related item.

D. NJDOE Guidance – Key Subject Area 4 – Continuity of Learning

1. Ensuring the Delivery of Special Education and Related Services to Students with Disabilities

- a. The school district shall continue to meet their obligations to students with disabilities to the greatest extent possible.

2. Professional Learning

- a. The school district shall prepare and support teaching staff members in meeting the social, emotional, health, and academic needs of all students throughout the implementation of the Plan.

(1) Professional Learning

- (a) The school district shall grow each teaching staff member's professional capacity to deliver developmentally appropriate standards-based instruction remotely.

(2) Mentoring and Induction

- (a) The school district shall ensure:
 - (i) All novice provisional teachers new to the district be provided induction;
 - (ii) One-to-one mentoring is provided to novice provisional teachers by qualified mentors;
 - (iii) Mentors can provide sufficient support and guidance to novice provisional teachers working in a remote environment;

(iv) Mentoring is provided in both hybrid and fully remote learning environments and that mentors and provisional teachers will agree upon scheduling, structure, and communication strategies they will use to maintain the mentoring experience; and

(v) The use of online collaborative tools for school staff to remain connected to other mentors, new teachers, and administrators to maintain a sense of communal support.

(3) Evaluation

(a) The school district has considered the requirements and best practices with provisional status teachers, nontenured educators, and those on Corrective Action Plans (including extra observations, extra observers, assuring more frequent feedback and face-to-face).

3. Career and Technical Education (CTE)

a. The school district shall implement innovative learning models for new learning environments regarding CTE.

b. Quality CTE Programs

The school district shall ensure students have access to appropriate industry-recognized, high-value credentials.

[See **POLICY ALERT No. 221**]

1648.02 REMOTE LEARNING OPTIONS FOR FAMILIES

On July 24, 2020, the New Jersey Governor and the Commissioner of Education published a supplemental guidance document titled “Clarifying Expectations Regarding Fulltime Remote Learning Options for Families 2020-2021” as a result of the COVID-19 pandemic. This supplemental guidance includes an additional “anticipated minimum standard,” as this phrase is used throughout “The Road Back: Restart and Recovery Plan for Education” (NJDOE Guidance). This additional “anticipated minimum standard” provides that, in addition to the methods and considerations explicitly referenced in the NJDOE Guidance for scheduling students for in-person, remote, or hybrid learning, families/guardians (hereinafter referred to as “parents”) may submit, and school districts shall accommodate, requests for full-time remote learning.

Requests for full-time remote learning may include any service or combination of services that would otherwise be delivered to students on an in-person schedule, which may be a hybrid schedule, such as instruction, behavioral and support services, special education, and related services. A parent may request some services be delivered entirely remotely, while other services follow the same schedule they otherwise would according to the provisions in the school district’s Restart and Recovery Plan (Plan) and Policy 1648.

A parent may contact the Principal or designee of the building the student would attend with any questions on: a request to transition from in-person services to full-time remote learning; a request to transition from full-time remote learning to in-person services; the procedures of this Policy; and/or any other information regarding the school district’s Plan and Policy 1648.

To ensure clarity and consistency in implementation of full-time remote learning, the Board of Education adopts this Policy that addresses the following:

A. Unconditional Eligibility for Full-time Remote Learning

1. All students are eligible for full-time remote learning.

POLICY GUIDE

ADMINISTRATION

1648.02/page 2 of 8

Remote Learning Options for Families

- a. Eligibility for full-time remote learning cannot be conditioned on a parent demonstrating a risk of illness or other selective criteria.
- b. Unconditional eligibility for full-time remote learning includes students with disabilities who attend in-district schools or receiving schools (county special services school districts, educational services commissions, jointure commissions, Katzenbach School for the Deaf, regional day schools, college operated programs, and approved private schools for students with disabilities).

B. Procedures for Submitting Full-time Remote Learning Requests

1. A parent may request a student receive full-time remote learning from the school district by submitting a written request to the Principal of the school building their child would attend. The written request shall be provided to the Principal at least 30 calendar days before the student is eligible to commence full-time remote learning in accordance with B.2. below.

2. The student may only begin full-time remote learning

[Choose one or more of the following:

 at the beginning of the school year.

 at the beginning of a marking period.

 at the beginning of a mid-year semester.

 X within 20 school days after receiving written approval of the Principal or designee.]

3. The written request for the student to receive full-time remote learning shall include:

- a. The student's name, school, and grade;

POLICY GUIDE

ADMINISTRATION

1648.02/page 3 of 8

Remote Learning Options for Families

- b. The technology the student will be using to receive full-time remote learning, including the student's connectivity capabilities;
 - c. A request for any service or combination of services that would otherwise be delivered to the student on an in-person or hybrid schedule, such as instruction, behavioral and support services, special education, and related services;
 - d. For students with disabilities, the school district staff will determine if an Individualized Education Plan (IEP) meeting or an amendment to a student's IEP is needed for full-time remote learning; and
 - e. Any additional information the Principal or designee requests to ensure the student, when receiving remote learning, will receive the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs.
 - (1) The documentation required by the school district to be provided in the parent's request for full-time remote learning shall not exclude any students from the school district's full-time remote learning option, but rather be limited to the minimum information needed to ensure proper recordkeeping and implementation of successful remote learning.
4. Upon receiving the written request, the Principal or designee may request additional information from the parent to assist the Principal or designee in providing the student the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs.
5. The Principal or designee will review the written request and upon satisfaction of the procedures outlined in this Policy, the Principal or designee will provide written approval of the parent's request for full-time remote learning.

- a. In the event the request does not satisfy the procedures outlined in this Policy, the Principal or designee will notify the parent in writing of the issues that need to be addressed by the parent to satisfy the procedures outlined in this Policy.
6. The Principal's written approval of the request shall be provided to the parent within 15 calendar days of receiving the parent's written request.
 - a. The written approval will include the date the remote learning program will commence for the student in accordance with B.2. above.

C. Scope and Expectations of Full-Time Remote Learning

1. The scope and expectations of the school district's full-time remote learning program will include, but not be limited to, the following:
 - a. The length of the school day pursuant to N.J.A.C. 6A:32-8.3 and compliance with the Board's Attendance Policy and Regulation 5200; the provisions of the district's remote learning program outlined in the school district's Plan; and any other Board policies and regulations that govern the delivery of services to, and district expectations of, students participating in the remote learning program and their families;
 - b. The technology and the connectivity options to be used and/or provided to the student during remote learning; and
 - c. Any additional information the Principal or designee determines is needed to ensure the student, when receiving remote learning, will receive the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs (i.e. students participating in a hybrid model).

- (1) This includes, for example, access to standards-based instruction of the same quality and rigor as afforded all other students of the district, the district making its best effort to ensure that every student participating in remote learning has access to the requisite educational technology, and the provision of special education and related services to the greatest extent possible.

- d. The school district will endeavor to provide supports and resources to assist parents, particularly those of younger students, with meeting the expectations of the school district's remote learning option.

D. Procedures to Transition from Full-Time Remote Learning to In-Person Services

1. A parent may request their student transition from full-time remote learning to in-person services, if in-person services are being provided, by submitting a written request to the Principal of the building the student will attend. This request must be submitted at least ____ calendar days before the student is eligible for in-person services.
2. A student is only eligible to transition from full-time remote learning to in-person services commencing

- a. In the event the request does not satisfy the procedures outlined in this Policy, the Principal or designee will notify the parent in writing of the issues that need to be addressed by the parent to satisfy the procedures outlined in this Policy.
 6. Upon approval of the student's transition from full-time remote learning to in-person services, the school district will provide specific student and academic services to better assist parents anticipate their student's learning needs and help educators maintain continuity of services.
 7. School districts that offer Pre-K will consult their Pre-K curriculum providers regarding appropriate measures to assess a Pre-K student's learning progress during the transition from full-time remote learning to in-person learning.
- E. Reporting
 1. To evaluate full-time remote learning, and to continue providing meaningful guidance for school districts, it will be important for the New Jersey Department of Education (NJDOE) to understand the extent and nature of demand for full-time remote learning around the State.
 - a. The school district will be expected to report to the NJDOE data regarding participation in full-time remote learning. Data will include the number of students participating in full-time remote learning by each of the following subgroups: economically disadvantaged; major racial and ethnic groups; students with disabilities; and English learners.
- F. Procedures for Communicating District Policy with Families
 1. The school district will have clear and frequent communication with parents, in their home language, to help ensure this important flexibility is as readily accessible as possible. Communication must include, at a minimum, information regarding:

1648.03 RESTART AND RECOVERY PLAN – FULL-TIME REMOTE INSTRUCTION

On June 26, 2020, the New Jersey Department of Education published “The Road Back - Restart and Recovery Plan for Education” (NJDOE Guidance), a guidance document for reopening New Jersey schools during the COVID-19 pandemic. The Guidance, including revisions, provided school officials with the information necessary to ensure that schools reopen safely and are prepared to accommodate staff and students’ unique needs during these unprecedented times. The NJDOE Guidance required school districts to develop, in collaboration with community stakeholders, a “Restart and Recovery Plan” (Plan) to reopen schools that best fit the district’s local needs.

The NJDOE Guidance requires the Board of Education to adopt certain policies and the Board previously adopted Policies 1648 and 1648.02 to address these policy requirements. Board policies related to Covid-19 shall only be effective through the current COVID-19 pandemic and will take precedence over any existing Policy on the same or similar subject, unless determined otherwise by the Superintendent. ■

On August 13, 2020, the Governor of New Jersey signed Executive Order 175 indicating public school districts shall resume partial or full-time in-person instruction during the fall of school year 2020-2021. However, Executive Order 175 also indicates public school districts that are or become unable to satisfy the health and safety requirements for in-person instruction delineated in the NJDOE’s “Checklist for Re-Opening of School 2020-2021” and detailed in the “The Road Back - Restart and Recovery Plan for Education” Guidance, may provide full-time remote instruction to all students pursuant to N.J.S.A. 18A:7F-9.

Public school districts that determine they cannot provide in-person instruction must submit documentation to the Department of Education that identifies:

1. The school building(s) or grade level(s) within the district that will provide full-time remote instruction;

POLICY GUIDE

ADMINISTRATION

1648.03/page 2 of 3

Restart and Recovery Plan – Full-Time Remote Instruction

2. The specific health and safety standards delineated in the NJDOE’s “Checklist for Re-Opening of School 2020-2021,” and detailed in the “The Road Back - Restart and Recovery Plan for Education” Guidance, that the school is unable to satisfy;
3. The school’s anticipated efforts to satisfy the identified health and safety standard(s); and
4. A date by which the school anticipates the resumption of in-person instruction.

Such documentation must be submitted to the Department of Education at minimum one week prior to the public school district’s first day of school.

The NJDOE, by way of the Executive County Superintendent, shall request periodic updates from the Superintendent of Schools of a public school district offering only remote instruction to demonstrate the school district is actively engaged in good-faith efforts toward the resumption of in-person instruction.

All instruction, whether in-person instruction or remote instruction, for the 2020-2021 year, shall adhere to the following requirements, and any other requirements imposed by Order, statute, or regulation:

1. A school day, whether in-person or remote must consist of at least four (4) hours of active instruction to students by an appropriately certified teacher, except that one continuous session of two and one-half hours may be considered a full day in Kindergarten, pursuant to N.J.A.C. 6A:32-8.3.
2. District and school policies for attendance and instructional contact time will need to accommodate opportunities for both synchronous and asynchronous instruction, while ensuring the requirements for a 180-day school year are met pursuant to N.J.S.A. 18A:7F-9.
3. All instructional time shall be provided in accordance with the New Jersey Student Learning Standards (NJSLS).

Remote Instruction

All public school districts participating in the National School Lunch and Breakfast Programs, regardless of whether they are required to participate or voluntarily opt-in to the programs, must offer the required meals to all children, regardless of eligibility, when the school day involves at least four hours of in-person or remote instruction.

For the 2020-2021 school year, the use of student growth data based on standardized assessment or student growth percentile shall be waived and shall not be used as a measure of educator effectiveness in the overall evaluation of any educator in accordance with N.J.S.A. 18A:6-123(b)(2) and (4).

Paragraph 8 of Executive Order No. 107 (2020), which prohibits in-person dining at certain establishments that are open to the public, shall not apply to school district cafeterias provided that social distancing can be maintained and access is limited to staff and students and not available to the general public. Such cafeterias must adhere to infection control practices outlined for dining in the applicable reopening documents issued by the Department of Education.

2451 ADULT HIGH SCHOOL

The Board of Education may determine a need exists in the community for the provision of educational services that will enable out-of-school adults to qualify for a State-endorsed high school diploma issued by the Board. The purpose of this program is to provide comprehensive life-long learning opportunities for adults. Accordingly, the Board may establish and implement a State-approved adult high school in accordance with rules of the State Board of Education.

The Board of Education may open and operate an adult high school, which shall offer adults opportunity, accessibility, and flexibility while maintaining high standards inherent in the awarding of a high school diploma pursuant to N.J.S.A. 18A:49-1 et seq., 18A:50-1 et seq., and 18A:50A-1 et seq. Courses shall be sufficiently varied for meeting the educational needs of adults and shall be designed to challenge participants to achieve their highest level of educational ability.

An educational plan shall be developed for each student in the district's adult high school program reflecting the student's past academic record, an analysis of past experiences for which credit may be awarded, graduation requirements, and a proposed schedule of courses for the current school year leading to completion of graduation requirements.

Eligibility for Enrollment (N.J.A.C. 6A:20-2.2)

To qualify for enrollment in the adult high school, a person shall:

1. Be a New Jersey resident;
2. Meet the age and out-of-school requirement at N.J.A.C. 6A:20-1.3;

The written approval shall explicitly state the course(s) to be taken and the time frame covered by the agreement. Tuition established by the receiving school district on a cost-recovery basis may be charged to the sending school district for persons enrolled under this exception.
3. Have not earned a locally issued, State-endorsed high school diploma;
 - a. Persons holding locally issued high school diplomas may enroll in an adult high school on a space-available basis for the express purpose of supplementing their high school record. Tuition established by the host school district on a cost-recovery basis may be charged to persons enrolling under this exception; and
4. Complete and sign an application for enrollment including a statement of responsibilities.

Adults with Special Needs (N.J.A.C. 6A:20-2.3)

Limited English proficient adults shall be required to demonstrate language fluency on a State-approved English proficiency assessment at a score level determined by the State Board of Education in accordance to N.J.A.C. 6A:20-2.3(a).

For an adult with previous experience in a special education program now seeking similar services at an adult high school, the Principal of the adult high school shall request, with the concurrence of the adult, the most recent evaluation and individualized educational plan (IEP) for the adult from the high school of last

 - a. If the IEP can be carried out, it shall serve as the instructional guide for the adult.
 - b. If the Principal determines the IEP cannot be carried out, the Principal shall promptly refer the adult to the nearest adult high school with staff available to offer the special services required in the IEP or to appropriate county or State agencies or institutions with resources and personnel able to serve the special needs of the adult.
2. If the evaluation was made more than three years prior to application to the adult high school, the IEP may not serve as a guide for the adult's instructional program at the adult high school.

Disabled adults without previous experience in a special education program or individuals with IEPs that have been issued more than three years prior to their application to the adult high school shall be counseled regarding educational options that would lead to high school graduation and shall be served to the maximum extent appropriate to the needs of the disabled adult within the capability of the program to provide such services in accordance to N.J.A.C. 6A:2.3(c).

Graduation Requirements (N.J.A.C. 6A:20-2.4)

Adult high school students must pass the Statewide assessment test for graduation. When an adult is unable to pass the Statewide assessment test, there shall be further evaluation through the Alternative High School Assessment pursuant to N.J.A.C. 6A:8, Standards and Assessments. When limited English proficient adults are unable to pass the Statewide assessment test, they shall be further evaluated through the Alternative High School Assessment pursuant to N.J.A.C. 6A:8 and shall demonstrate English language fluency on a State-approved English proficiency assessment as a requirement for graduation.

POLICY GUIDE

When operating an adult high school, the Board shall meet the requirements for high school graduation pursuant to N.J.A.C. 6A:8-5 and Policy 5460.

PROGRAM

Adult High School

The staff of the adult high school shall distribute to each entering adult a copy of all State and local adult high school graduation requirements. At the beginning of each course, all adults shall receive a list of proficiencies required for the successful completion of the course.

Successful completion of the requirements as outlined in N.J.A.C. 6A:20-2.4(a) and (b) and those established by the Board of Education shall be required as conditions for awarding a locally issued, State-endorsed diploma.

The Board shall not issue an adult high school diploma without State approval of the adult high school program and without signed verifications for all credit awarded for experience and an official transcript(s) being on file.

Award of Credit (N.J.A.C. 6A:20-2.5)

A Board of Education operating an adult high school shall annually adopt at a public meeting policies that provide for the awarding of credit, subject to the provisions outlined in N.J.A.C. 6A:20-2.5(a)1. through 6A:20-2.5(a)12.

Awarding of Credit for Foreign Students (N.J.A.C. 6A:20-2.6)

Credit for the equivalent of American secondary school studies experienced in a foreign country shall be reviewed by a recognized foreign credential evaluation expert or service following an evaluation of transcript(s) presented by the adult. The cost of such review shall be borne by the adult student.

Maintaining Student Records (N.J.A.C. 6A:20-2.7)

The adult high school program shall have the responsibility to compile, maintain, and retain student records, including daily attendance records, and to regulate access to and security of such records.

Attendance records will be compiled and maintained in accordance with Board Policy No. 9330 and State Board of Education rules governing student records and with law and State Board of Education rules governing financial records.

2464 GIFTED AND TALENTED STUDENTS

The Board of Education recognizes its responsibility to identify gifted and talented students within the school district and to provide these students with appropriate instructional adaptations and services. To that end, the Board directs each such student in the school district be identified and offered an appropriate educational program and services.

For purposes of this Policy, “gifted and talented students” means students who possess or demonstrate high levels of ability in one or more content areas when compared to their chronological peers in the district and who require modification of their educational program if they are to achieve in accordance with their capabilities.

For the purpose of this Policy, “instructional adaptation” means an adjustment or modification to instruction enabling a student who is gifted and talented to participate in, benefit from, and demonstrate knowledge and application of the New Jersey Student Learning Standards in one or more content areas at the instructional level of the student, not just the student’s grade level.

The Superintendent of Schools or designee shall ensure that the appropriate instructional adaptations are designed for students who are gifted and talented.

~~The Superintendent will develop appropriate curricular and instructional modifications used for gifted and talented students indicating content, process, products, and learning environments.~~

The Superintendent or designee will develop procedures for an ongoing Kindergarten through grade twelve identification process for gifted and talented students that includes multiple measures in order to identify student strengths in intellectual ability, creativity, or a specific academic area. The district shall ensure equal access to a continuum of gifted and talented education

but are not limited to: achievement test scores; grades; student performance or products; intelligence testing; parent, student, and/or teacher recommendation; and other appropriate measures. The identification methodology will be developmentally appropriate, non-discriminatory, and related to the programs and services offered by the district. The identification procedures will be reviewed annually.

The Superintendent or designee will develop and document appropriate curricular and instructional modifications used for gifted and talented students indicating content, process, products, and learning environments, and including, but not limited to, additional education activities such as academic competitions, guest speakers, and lessons with a specialist.

The Superintendent or designee will take into consideration the Pre-Kindergarten through Grade Twelve Gifted Programming Standards of the National Association for Gifted Children, Position Statements, and White Papers of the National Association for Gifted Children in identifying and serving gifted and talented students in developing programs for gifted and talented students. The educational program offered to gifted and talented students will encourage and challenge them in the specific areas of their abilities, but will not replace the basic instructional program of the various grades of this district. The program offered to gifted and talented students may include, but are not limited to: pull-out programs; classroom differentiated instruction; acceleration; flexible pacing; compacted curricula; distance learning; advanced classes; or individual programs infused into the student's regular instructional program, provided that a written description of the infusion has been prepared and filed in the student's record.

The district will provide the time and resources to develop, review, and enhance instructional tools with modifications for helping gifted and talented students acquire and demonstrate mastery of the required knowledge and skills specified by the standards at the instructional level of the student.

The district will actively assist and support professional development for teachers, educational services staff, and school leaders in the area of gifted and talented instruction.

The district shall file with the New Jersey Department of Education Coordinator for Gifted and Talented Services a report by October 1, 2020 and thereafter on a schedule that coincides with the school district's New Jersey Quality Single Accountability Continuum (QSAC) review pursuant to N.J.S.A. 18A:7A-11. The report shall include, but not be limited to, the gifted and talented continuum of services, policies, and procedures implemented in the school district; the total number of students receiving gifted and talented services in each grade level Kindergarten through grade twelve disaggregated by race, gender, special education designation, and English language learner designation; the professional development opportunities provided for teachers, educational services staff, and school leaders about gifted and talented students, their needs, and educational development; and the number of staff employed by the school district whose job responsibilities include identification of and providing services to gifted and talented students. Programs for gifted and talented students will be periodically evaluated for their continuing efficacy and adjusted accordingly.

The parent of any student identified as gifted or talented shall be consulted regarding any program designed to address the student's particular needs.

An individual who believes the district has not complied with the provisions of N.J.S.A. 18A:35-34 et seq. may file a complaint with the Board of Education. This policy for filing a complaint shall be linked to the homepage of the Board's Internet website. The Board shall issue a decision, in writing, to affirm, reject, or modify the district's action in the matter. The individual may then file a petition of appeal of the Board's written decision to the Commissioner of Education through the Office of Controversies and Disputes in accordance with N.J.S.A. 18A:6-9 and the procedures set forth in State Board of Education regulations.

5330.05 SEIZURE ACTION PLAN

The Board of Education requires the development of a seizure action plan, an individualized health care plan, and an individualized emergency health care plan for students with epilepsy or a seizure disorder to care for and treat these students while at school pursuant to N.J.S.A. 18A:40-12.34 et seq.

In accordance with N.J.S.A. 18A:40-12.35, the parent of the student with epilepsy or a seizure disorder seeking epilepsy or seizure disorder care while at school shall submit the student's seizure action plan annually to the school nurse.

The school nurse shall develop an individualized health care plan and an individualized emergency health care plan for the student, provided the parents annually provide to the Board written authorization for the provision of epilepsy or seizure disorder care. The school nurse shall update these plans on an annual basis and as necessary in the event there is a change in the health status of the student. These plans shall include the information outlined in N.J.S.A. 18A:40-12.35.

In accordance with N.J.S.A. 18A:40-12.35, all staff members including staff working with school-sponsored programs outside the regular school day shall be trained in the care of students with epilepsy and seizure disorders. All school bus drivers, contracted and district-employed, shall be provided notice and information if they are transporting a student with epilepsy or a seizure disorder pursuant to N.J.S.A. 18A:40-12.36. The school nurse shall obtain a release from the parent of the student to authorize the sharing of medical information in accordance with N.J.S.A. 18A:40-12.37.

No school employee, including a school nurse, school bus driver, school bus aid, or any other officer or agent of the Board, shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.34 through N.J.S.A. 18A:40-12.38, nor shall an action before the New Jersey State Board of Nursing lie against a school nurse for any such action taken by a person trained in good faith by the school nurse pursuant to N.J.S.A. 18A:40-12.34 through N.J.S.A. 18A:40-12.38. Good faith shall not include willful misconduct, gross negligence, or recklessness.

6470.01 ELECTRONIC FUNDS TRANSFER AND CLAIMANT CERTIFICATION

The Board of Education permits the School Business Administrator/Board Secretary to use standard electronic funds transfer (EFT) technologies for EFTs for payment of claims pursuant to N.J.A.C. 5:30-9A.1 et seq. and 5:31-4.1, implementing N.J.S.A. 40A:5-16.5.

“Electronic funds transfer” for the purpose of Policy and Regulation 6470.01 means any approved method of transferring moneys permitted by N.J.A.C. 5:30-9A.1 et seq. that does not involve the physical presentation of a paper check, draft, or similar paper instrument including, but not limited to, wire transfers, e-checks, automated clearing house (ACH) transfers, and transactions initiated by phone or fax.

In accordance with N.J.S.A. 40A:5-16.5.b.(1), the Board of Education authorizes the use of only the forms of standard EFT technologies that are approved to be used by a Board of Education for EFTs for payment of claims. A Board of Education may not utilize procurement cards, charge cards, charge accounts, or any payment services such as PayPal or Venmo.

In accordance with N.J.S.A. 40A:5-16.5.b.(2), the Board designates the School Business Administrator/Board Secretary as being responsible for the oversight and administration of the provisions of N.J.S.A. 40A:5-16.5, N.J.A.C. 5:30-9A.1 et seq.; N.J.A.C. 5:31-4.1, and Policy and Regulation 6470.01.

The Board of Education will only initiate and approve electronic funds in accordance with N.J.A.C. 5:30-9A.1 et seq. Standard EFT technologies shall incorporate, at a minimum, the features and safeguards outlined in N.J.A.C. 5:30-9A.4(a). The Board will only utilize standard EFT technologies upon instituting, at a minimum, the fiscal and operational controls outlined in N.J.A.C. 5:30-9A.4(b).

POLICY GUIDE

shall submit the claim for payment with all supporting documentation to the Superintendent of Schools or a designee who is not under the direct supervision of the School Business Administrator/Board Secretary, who shall review the claim for payment and authorize, in writing, the EFT claim using an EFT method.

The Board of Education shall annually approve the School Business Administrator/Board Secretary as the person authorized to initiate a claim for payment and the Superintendent of Schools or a designee not under the direct supervision of the School Business Administrator/Board Secretary as the person responsible to review a claim for payment presented by the School Business Administrator/Board Secretary and authorize payment using an approved EFT method.

On no less than a weekly basis, activity reports on all transactions utilizing standard EFT technologies shall be reviewed by an individual designated and approved by the Board that is not under the direct supervision of the School Business Administrator/Board Secretary and is not empowered to initiate or authorize EFTs.

Claimant certification for a Board of Education shall be in accordance with the provisions of N.J.S.A. 18A:19-3 and rules promulgated by the New Jersey Department of Education.

Providers of ACH and wire transfer services must be financial institutions chartered by a State or Federal agency, with the further requirement that these financial institutions providing ACH and wire transfer services be covered under the Governmental Unit Deposit Protection Act (GUDPA), N.J.S.A. 17:9-41 et seq.

EFTs through ACH must utilize Electronic Data Interchange (EDI) technology, which provide transaction related details including invoice numbers, pay dates, and other identifying information as appropriate for each transaction. The Board must approve an ACH Origination Agreement with the financial institution(s).

7440 SCHOOL DISTRICT SECURITY

The Board of Education believes the buildings and facilities of the school district represent a substantial community investment. The Board directs the development and implementation of a plan for school district security to protect the school community's investment in the school buildings and facilities. The Board will comply with the security measures required in N.J.S.A. 18A:7G-5.2 for new school construction and for existing school buildings.

The school district security program will include: maintenance of facilities that are secure against unwelcome intrusion; protection against fire hazards and faulty equipment; and compliance with safe practices in the use of electrical, plumbing, heating, and other school building equipment.

The Board shall provide to local law enforcement authorities a copy of the current blueprints and maps for all schools and school grounds within the school district or nonpublic school. In the case of a school building located in a municipality in which there is no municipal police department, a copy of the blueprints and maps shall be provided to an entity designated by the Superintendent of the New Jersey State Police. The Board shall provide revised copies to the applicable law enforcement authorities or designated entities any time that there is a change to the blueprints or maps.

The Board directs close cooperation of district officials with law enforcement, fire officials, and other emergency agencies.

Each public elementary and secondary school building shall be equipped with at least one panic alarm for use in a school security emergency pursuant to N.J.S.A. 18A:41-10 through 13.

POLICY GUIDE

The Superintendent of Schools shall designate a school administrator, or a school employee with expertise in school safety and security, as a School Safety Specialist for the district in accordance with the provisions of N.J.S.A. 18A:17-43.3. The School Safety Specialist shall be required to acquire a New Jersey Department of Education School Safety Specialist certification in

accordance with the provisions of N.J.S.A. 18A:17-43.2. The School Safety Specialist shall also serve as the school district's liaison with local law enforcement and national, State, and community agencies and organizations in matters of school safety and security.

Access to school buildings and grounds outside the hours school is in session shall be limited to personnel whose employment requires their presence in the facility. An adequate key control system will be established to limit building access to authorized personnel and guard against the potential of intrusion by unauthorized persons who have obtained access improperly.

In accordance with N.J.S.A. 18A:7G-5.2.b.(15), propping open doors to buildings on school grounds is strictly prohibited and students and staff shall not open a door for any individual. All persons seeking entry into the main building shall be directed to the main entrance.

Building records and funds shall be kept in a safe place and secured as appropriate and necessary.

Protective devices designed to be used as safeguards against illegal entry and vandalism may be installed when appropriate. The Board may approve the employment of school resource officers, school security officers, and/or law enforcement officers in situations in which special risks are involved.

The school district shall annually conduct a school safety audit for each school building in accordance with the provisions of N.J.S.A. 18A:41-14.

The Board of Education recognizes its responsibility to provide for the safety and security in each school building in the district. The district will develop and implement written plans and procedures to provide for the protection of health, safety, security, and welfare of the school population; the prevention of, intervention in, response to and recovery from emergency and crisis situations; the establishment and maintenance of a climate of civility; and supportive services for staff, students, and their families.

The Superintendent of Schools or designee shall consult with law enforcement agencies, health and social services provider agencies, emergency management planners, and school and community resources, as appropriate, in the development of the school district's plans, procedures, and mechanisms for school safety and security. The plans, procedures, and mechanisms shall be consistent with the provisions of N.J.A.C. 6A:16-5.1 and the format and content established by the Domestic Security Preparedness Task Force, pursuant to N.J.S.A. App. A:9-64 et seq., and the Commissioner of Education and shall be reviewed annually, and updated as appropriate.

A copy of the school district's school safety and security plan shall be disseminated to all school district employees. New employees shall receive a copy of the school district's safety and security plan, as appropriate, within sixty days of the effective date of their employment. All employees shall be briefed in writing, as appropriate, regarding updates and changes to the school safety and security plan.

The school district shall develop and provide an in-service training program for all school district employees to enable them to recognize and appropriately respond to safety and security concerns, including emergencies and crisis, consistent with the school district's plans, procedures, and mechanisms for school

POLICY GUIDE

safety and security and the provisions of N.J.A.C. 6A:16-5.1. New employees shall receive this in-service training, as appropriate, within sixty days of the effective date of their employment. This in-service training program shall be reviewed annually and updated, as appropriate.

The Board shall ensure individuals employed in the district in a substitute capacity are provided with information and training on the district's

practices and procedures on school safety and security including instruction on school security drills, evacuation procedures, and emergency response protocols in the district and the school building where the individuals are employed in accordance with the provisions of N.J.S.A. 18A:41-7.

In accordance with N.J.S.A. 18A:41-1, at least one fire drill and one school security drill will be conducted each month within school hours, including any summer months, which the school is open for instructional programs. A school security drill means an exercise, other than a fire drill, to practice procedures that respond to an emergency situation including, but not limited to, a non-fire evacuation, lockdown, bomb threat, or active shooter situation that is similar in duration to a fire drill. Schools are required to hold a minimum of two active shooter, non-fire evacuation, bomb threat, and lockdown security drills annually. Fire alarm systems shall be initiated only during a fire drill evacuation. Responses made necessary by the unplanned activation of emergency procedures or by any other emergency shall not be substituted for a required school security drill.

The Principal or designee will provide local law enforcement or other emergency responders, as appropriate, with a friendly notification at least forty-eight hours prior to holding a school security drill. Although these outside agencies are not required to observe school security drills, the Principal is encouraged to invite representatives from local law enforcement and emergency responder agencies to attend and observe at least four different security drills annually.

Such drills and in-service training programs shall be conducted in accordance with a building security drill guide and training materials that educate school employees on proper evacuation and lockdown procedures in a variety of emergency situations on school grounds as provided by the New Jersey Office of Homeland Security and Preparedness.

The school district will be required to annually submit a security drill statement of assurance to the New Jersey Department of Education by June 30 of each school

[See POLICY ALERT Nos. 215, 216, 217 and 221]

[SCHOOL DISTRICTS NOT PARTICIPATING IN A UNITED STATES DEPARTMENT OF AGRICULTURE'S (USDA) SCHOOL NUTRITION PROGRAMS ARE NOT REQUIRED TO ADOPT POLICY 8561.]

8561 PROCUREMENT PROCEDURES FOR SCHOOL NUTRITION PROGRAMS

The Board of Education adopts this Policy to identify their procurement plan for the United States Department of Agriculture's (USDA) School Nutrition Programs. School Nutrition Programs include, but are not limited to: the National School Lunch Program (NSLP); School Breakfast Program (SBP); Afterschool Snack Program (ASP); Special Milk Program (SMP); Fresh Fruit and Vegetable Program (FFVP); Seamless Summer Option (SSO) of the NSLP; Summer Food Service Program (SFSP); the At-Risk Afterschool Meals component of the Child and Adult Care Food Program (CACFP); and the Schools/Child Nutrition USDA Foods Program.

The Board of Education is ultimately responsible for ensuring all procurement procedures for any purchases by the Board of Education and/or a food service management company (FSMC) comply with all Federal regulations, including but not limited to: 7 CFR Parts 210, 220, 225, 226, 245, 250; 2 CFR 200; State procurement statutes and administrative codes and regulations; local Board of Education procurement policies; and any other applicable State and local laws.

The procurement procedures contained in this Policy will be implemented beginning immediately, until amended. All procurements must maximize full and open competition. Source documentation will be maintained by the School Business Administrator/Board Secretary or designee and will be available to

POLICY GUIDE

determine open competition, the reasonableness, the allowability, and the allocation of costs.

The Board of Education intentionally seeks to prohibit conflicts of interest in all procurement of goods and services.

Procurement Procedures for School Nutrition Programs

A. General Procurement

The procurement procedures will maximize full and open competition, transparency in transactions, comparability, and documentation of all procurement activities. The school district's plan for procuring items for use in the School Nutrition Programs is as follows:

1. The School Business Administrator/Board Secretary will ensure all purchases will be in accordance with the Federal Funds Procurement Method Selection Chart – State Agency Form #358 - Appendix. Formal procurement procedures will be used as required by 2 CFR 200.318 through .326 and any State and local procurement code and regulations. Informal procurement procedures (small purchase) will be required for purchases under the most restrictive small purchase threshold.
2. The following procedures will be used for all purchases:

Product/ Services	Estimated Dollar Amount	Procurement Method	Evaluation	Contract Award Type	Contract Duration/ Frequency

B. Micro-Purchase Procedures

~~Micro Purchases (2 CFR 200.67):~~

1. Public/Charter Schools

POLICY GUIDE

Purchases of supplies or services, as defined by 2 CFR 200.67, will be awarded without soliciting competitive price quotations if the price is reasonable in accordance with N.J.S.A. 18A:18A-37(a) and below thresholds established by the State Treasurer for informal receipt of quotations. Purchases will be distributed equitably among qualified suppliers with reasonable prices. Records will be kept for micro-purchases.

OPERATIONS

8561/page 3 of 18

2. Non-Public Schools

~~Non-Public Schools Only~~ Purchases of supplies or services, within the **Federal** micro-purchase threshold (the aggregate amount does not exceed the Federal micro-purchase threshold as set by **2 CFR 200.67** ~~48 CFR 2.101~~) will be awarded without soliciting competitive price quotations if the price is reasonable. Purchases will be distributed equitably among qualified suppliers with reasonable prices. Records will be kept for micro-purchases.

3. Formal bid procedures will be applied on the basis of:

[Choose one or more of the following:

- ☐ centralized system;
- ☐ individual school;
- ☒ multi-school system; and/or
- ☐ State contract.]

4. Because of the potential for purchasing more than public or non-public informal/small purchase threshold amount, or the Board approved threshold if less, it will be the responsibility of the School Business Administrator/Board Secretary to document the amounts to be purchased so the correct method of procurement will be followed.

CB. Formal Procurement

When a formal procurement method is required, the following competitive sealed bid or an Invitation for Bid (IFB) or competitive proposal in the form of a Request for Proposal (RFP) procedures will apply:

POLICY GUIDE

1. An announcement of an IFB or a RFP will be placed in the Board designated official newspaper to publicize the intent of the Board of Education to purchase needed items. The advertisement for bids/proposals or legal notice will be published in the official newspaper for at least one day in accordance with the provisions of N.J.S.A. 18A:18A-21.

OPERATIONS

- a. The School Business Administrator/Board Secretary will be responsible for **providing responses to questions and** securing all bids or proposals.
- b. The School Business Administrator/Board Secretary will be responsible to ensure all Board of Education procurements are conducted in compliance with applicable Federal, State, and local procurement regulations.

POLICY GUIDE

- c. The following criteria will be used in awarding contracts as a result of bids/proposals. Price must be the highest weighted criteria. Examples of other possible criteria include quality, service, delivery, and availability.

OPERATIONS

8561/page 9 of 18

Procurement Procedures for School Nutrition Programs

- 7. In awarding a RFP, a set of award criteria in the form of a weighted evaluation sheet will be provided to each bidder in the initial bid document materials. Price alone is not the sole basis for award, but remains the primary consideration among all factors when awarding a contract. Following evaluation and negotiations, a firm fixed price or cost reimbursable contract is awarded.
 - a. The contracts will be awarded to the responsible bidder/proposer whose bid or proposal is responsive to the invitation and is most advantageous to the Board of Education, price as the primary, and other factors considered. Any and all bids or proposals may be rejected in accordance with the law.
 - b. The School Business Administrator/Board Secretary or designee is required to sign on the bid tabulation of competitive sealed bids or the evaluation criterion score sheet of competitive proposals signifying a review and approval of the selections.
 - c. The School Business Administrator/Board Secretary shall review the procurement system to ensure compliance with applicable laws.
 - d. The School Business Administrator/Board Secretary or designee will be responsible for documentation that the actual product specified was received.

POLICY GUIDE

- e. Any time an accepted item is not available, the School Business Administrator/Board Secretary will select the acceptable alternate. The contractor must inform the School Business Administrator/Board Secretary within one workday if a product is not available. In the event a nondomestic agricultural product is to be provided to the Board of Education, the contractor must obtain, in advance, written approval for the product. The School Business Administrator/Board Secretary must comply with the Buy American Provision.

OPERATIONS

8561/page 10 of 18

- f. Full documentation regarding the reason an accepted item was unavailable, and the procedure used in determining acceptable alternates, will be available for audit and review. The person responsible for this documentation is the School Business Administrator/Board Secretary.
- g. The School Business Administrator/Board Secretary is responsible for maintaining all procurement documentation.

DC. Small Purchase Procedures

If the amount of purchases for items is less than the school district's small purchase threshold as outlined in the Federal Funds Procurement Method Selection Chart – See Appendix, the following small purchase procedures including quotes will be used. Quotes from a minimum number of three qualified sources will be required.

1. Written specifications will be prepared and provided to all vendors.
2. Each vendor will be contacted and given an opportunity to provide a price quote on the same specifications. A minimum of three vendors shall be contacted.
3. The School Business Administrator/Board Secretary or designee will be responsible for contacting potential vendors when price quotes are needed.

POLICY GUIDE

4. The price quotes will receive appropriate confidentiality before award.
5. Quotes/Bids will be awarded by the School Business Administrator/Board Secretary. Quotes/Bids will be awarded on the following criteria. Quote/Bid price must be the highest weighted criteria. Examples of other possible criteria include quality, service, delivery, and availability.
6. The School Business Administrator/Board Secretary will be responsible for documentation of records to show selection of vendor, reasons for selection, names of all vendors contacted, price quotes from each vendor, and written specifications.

OPERATIONS

8561/page 11 of 18

7. The School Business Administrator/Board Secretary or designee will be responsible for documentation that the actual product specified is received.
8. Any time an accepted item is not available, the School Business Administrator/Board Secretary will select the acceptable alternate. Full documentation will be made available as to the selection of the acceptable item.
9. The School Business Administrator/Board Secretary or designee is required to sign all quote tabulations, signifying a review and approval of the selections.

ED. Noncompetitive Proposal Procedures

If items are available only from a single source when the award of a contract is not feasible under small purchase, sealed bid or competitive negotiation, noncompetitive proposal procedures will be used:

1. Written specifications will be prepared and provided to the vendor.
2. The School Business Administrator/Board Secretary will be responsible for the documentation of records to fully explain the decision to use the noncompetitive proposal. The records will be available for audit and review.

POLICY GUIDE

3. The School Business Administrator/Board Secretary or designee will be responsible for documentation that the actual product or service specified was received.
4. The School Business Administrator/Board Secretary will be responsible for reviewing the procedures to be certain all requirements for using single source or noncompetitive proposals are met.

OPERATIONS

8561/page 12 of 18

5. ~~Non-Public Schools Only~~— The noncompetitive micro-purchase method shall be used for one-time purchases of a new food item if the amount is less than the **applicable Federal or State Federal** micro-purchase threshold (~~2 CFR 200.67~~) to determine food acceptance by students and provide samples for testing purposes. A record of noncompetitive negotiation purchase shall be maintained by the School Business Administrator/Board Secretary or designee. At a minimum, the record of noncompetitive purchases shall include: item name; dollar amount; vendor; and reason for noncompetitive procurement.
6. A member or representative of the Board of Education will approve, in advance, all procurements that result from noncompetitive negotiations.

~~FE~~. Miscellaneous Provisions

1. New product evaluation procedures will include a review of product labels and ingredients; an evaluation of the nutritional value; taste tests and surveys; and any other evaluations to ensure the new product would enhance the program.
2. The Board of Education agrees the reviewing official of each transaction will be the School Business Administrator/Board Secretary.

POLICY GUIDE

3. Payment will be made to the vendor when the contract has been met and verified and has met the Board of Education's procedures for payment. (If prompt payment is made, discounts, etc., are accepted.)
4. Specifications will be updated as needed.
5. If the product is not as specified, the following procedure, including, but not limited to, will take place: remove product from service; contact vendor for approved alternate product; or remove product from bid.

OPERATIONS

GF. Emergency Purchases

1. If it is necessary to make a one-time emergency procurement to continue service or obtain goods, and the public exigency or emergency will not permit a delay resulting from a competitive solicitation, the purchase must be authorized using a purchase order signed by the School Business Administrator/Board Secretary. The emergency procedures to be followed for such purchases shall be those procedures used by the school district for other emergency purchases consistent with N.J.S.A. 18A:18A-7. All emergency procurements shall be approved by the School Business Administrator/Board Secretary. At a minimum, the following emergency procurement procedures shall be documented to include, but not be limited to: item name; dollar amount; vendor; and reason for emergency.

HG. Purchasing Goods and Services – Cooperative Agreements, Agents, and Third-Party Services (Piggybacking)

1. When participating in intergovernmental and inter-agency agreements the Board of Education will ensure that competitive procurements are conducted in accordance with 2 CFR Part 200.318 through .326 and applicable program regulations and guidance.
2. When utilizing the services of a co-op, agent, or third party the Board of Education will ensure that the following conditions have

POLICY GUIDE

been met and considered as one source of pricing in addition to other prices:

- a. All procurements were subject to full and open competition and were made in accordance with Federal/State/local procurement requirements;
- b. The existing contract allows for the inclusion of additional Board of Educations that were not contemplated in the original procurement to purchase the same supplies/equipment through the original award;

OPERATIONS

- c. The specifications in the existing contract meets their needs and that the items being ordered are in the contract;
- d. The awarded contract requires all the Federally required certifications; e.g. Buy American, debarment, restrictions on lobbying, etc.;
- e. The agency will confirm the addition of their purchasing power (goods or services) to the procurement in scope or services does not create a material change, resulting in the needs to re-bid the contract;
- f. Administrative costs (fees) for participating in the agreement are adequately defined, necessary and reasonable, and the method of allocating the cost to the participating agencies must be specified;
- g. The Buy American provisions are included in the procurement of food and agricultural products; and
- h. The agreement includes the basis for and method of allocating each discount, rebate, or credit and how they will be returned to each participating agency when utilizing a cost-reimbursable contract.

III. Records Retention

POLICY GUIDE

1. The Board of Education shall agree to retain all books, records, and other documents relative to the award of the contract for three years after final payment. If there are audit findings that have not been resolved, the records shall be retained beyond the three-year period as long as required for the resolution of the issues raised by the audit. Specifically, the Board of Education shall maintain, at a minimum, the following documents:

- a. Written rationale for the method of procurement;

 - f. Approval from the State agency to support a lack of competition when competitive bids or offers are not obtained;
 - g. The basis for award cost or price;
 - h. The terms and conditions of the contract;
 - i. Any changes to the contract and negotiation history;
 - j. Billing and payment records;
 - k. A history of any contractor claims;
 - l. A history of any contractor breaches; and
 - m. Any other documents as required by N.J.S.A. 18A:18A – Public School Contracts Law.

JH. Code of Conduct for Procurement

POLICY GUIDE

1. All procurements must ensure there is open and free competition and adhere to the most restrictive Federal, State, and local requirements. The Board of Education seeks to conduct all procurement procedures in compliance with stated regulations and to prohibit conflicts of interest and actions of employees engaged in the selection, award, and administration of contracts. All procurements will be in accordance with this Policy and all applicable provisions of N.J.S.A. 18A:18A – Public School Contracts Law.

OPERATIONS

2. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a Federal, State, or local award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent; any member of his or her immediate family, his or her partner; or an organization which employs or is about to employ any of the parties indicated herein has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.
3. The officers, employees, and agents of the non-Federal entity may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, non-Federal entities may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value.
4. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the non-Federal entity. Based on the severity of the infraction, the penalties could include a written reprimand to their personnel file, a suspension with or without pay, or termination.
5. All questions and concerns regarding procurement solicitations, contract evaluations, and contract award, shall be directed to the School Business Administrator/Board Secretary.

POLICY GUIDE

KJ. Food Service Management Company (FSMC)

1. In the operation of the school district's food service program, the school district shall ensure that a FSMC complies with the requirements of the Program Agreement, the school district's Free and Reduced School Lunch Policy Statement, all applicable USDA program policies and regulations, and applicable State and local laws. In order to operate an a la carte food service program, the FSMC shall agree to offer free, reduced price, and full price reimbursable meals to all eligible children.

R 6470.01 ELECTRONIC FUNDS TRANSFER AND CLAIMANT CERTIFICATION

A. Definitions – N.J.S.A. 40A:5-2 and N.J.A.C. 5:30-9A.2

For the purpose of Policy and Regulation 6470.01:

"Automated clearing house (ACH) transfer" means an electronic funds transfer initiated by the Board of Education authorizing a banking institution to push funds from the Board of Education bank account(s) into a vendor or claimant's bank account, executed through the ACH electronic clearing and settlement system used for financial transactions.

"Board of Education" means a Board of Education as defined by the "Public School Contracts Law," N.J.S.A. 18A:18A-1 et seq.

"Charge account" or "charge card" means an account, linked to a credit card issued by a specific vendor to which goods and services may be charged on credit, that must be paid when a statement is issued.

"Check" means the instrument by which moneys of the Board of Education are disbursed.

"Chief Executive Officer" means the Superintendent of Schools.

"Chief Financial Officer" means the School Business Administrator/Board Secretary.

"Claimant certification" or "vendor certification" means verification of claims pursuant to N.J.S.A. 18A:19-3.

"Disbursement" means any payment of moneys, including any transfer of funds, by any means.

"Electronic Data Interchange (EDI)" means technology that provides transaction related details, including invoice number(s), pay dates, and other identifying information as appropriate for each transaction.

"Electronic Funds Transfer (EFT)" means any approved method of transferring moneys permitted by N.J.A.C. 5:30-9A.1 et seq. that does not involve the physical presentation of a paper check, draft, or similar paper instrument including, but not limited to, wire transfers, e-checks, automated clearing house (ACH) transfers, and transactions initiated by phone or fax.

"Electronic Funds Transfer and Indemnification Agreement" means a signed legally binding indemnification agreement renewed on an annual basis between a Board of Education and a banking institution authorized to conduct business in New Jersey, which authorizes that institution to access bank accounts for the purpose of conducting EFTs through the ACH operating system.

"Governing body" means the Board of Education.

"Internal controls" means fiscal and operational controls that ensure safe and proper use of a standard EFT system and mitigate the potential for fraud and abuse. For purpose of N.J.A.C. 5:30-9A.1 et seq., internal controls shall include technological safeguards and cyber security practices, as well as processes affected by the governing body, management, and other personnel establishing fiscal and operational controls that reduce exposure to risk of misappropriation.

"Local Unit" means any county, municipality, special district, or any public body corporate and politic created or established under any law of this State by or on behalf of any one or more counties or municipalities, or any board, commission, department, or agency of any of the foregoing having custody of funds, but shall not include a school district.

"National Automated Clearing House Association (NACHA) file" means a file, formatted to NACHA specifications, which contains instructions for transferring funds between accounts.

"Payment documentation" means such documentation, including evidence of approvals and certifications, as is required by N.J.S.A. 40A:5-16.b, 40A:5-17, and 18A:19.1 et seq., and N.J.A.C. 5:30-9A.1 et seq. prior to the legal paying out of moneys.

"Procurement card" or "P-card" means an account or physical card that represents an account governed by characteristics specific to a procurement card. These characteristics include limits of time, amount, access, and purchase category controlled by the local unit, local authority, or county college in accordance with an agreement with an issuer. While such cards may have the appearance of a credit card, such as Visa, MasterCard, American Express, or Discover, such general-purpose cards do not feature the controls that procurement cards have and as such are not permitted under N.J.A.C. 5:30-9A.1 et seq. A "Procurement card" or "P-card" may not be used by a Board of Education.

"Reconciliation of activity" means the process used to determine that all transactions utilizing standard EFT technologies are accurate, authorized, and allocable to encumbered appropriations.

"Standard electronic funds transfer technologies" means technologies that facilitate the transfer of funds, other than a transaction originated by check, draft, or similar paper instrument, initiated by means such as, but not limited to, an electronic terminal, telephone, computer, or magnetic tape for the purpose of ordering, instructing, or authorizing a financial institution to debit or credit an account, and incorporate, at a minimum, internal controls set forth in rules promulgated by the Local Finance Board. No general purpose credit or debit card shall be considered a standard EFT technology.

"Supervisory review" means the process performed by an individual in a supervisory capacity to confirm the propriety and accuracy of standard EFT technologies use initiated by subordinates.

"Transaction" means any activity that may result in demand for payment.

3. All visitors to a school building during a school day will be required to register their presence in the school and comply with the provisions of Policy and Regulation 9150. The school's registration and sign-in procedures may include the use of a school visitor management system requiring the visitor to present acceptable identification to access the school building.
 4. Signs will be conspicuously posted to inform visitors of the requirement to register their presence into the building.
- C. Key Control System for Access to School Buildings and Facilities
1. School staff members will be provided access to a school building using the school's key control system as follows:
 - a. Teaching staff members and support staff members will be provided access using the school's key control system to the school building and to other facilities on school grounds to which they require access for the performance of their professional duties.
 - (1) The Building Principal will determine the school staff members who shall be provided access to facilities within the school building and on school grounds.
 - (2) The Superintendent or designee will determine the district administrators, supervisors, and other staff members who shall be provided access to facilities within the school building and on school grounds.
 2. School staff members provided access to a school building or other facilities on school grounds shall be responsible for ensuring their key control system authorization is not shared with another individual without prior approval of the Principal or designee for school staff members, or the Superintendent or designee for district staff members. Staff members are prohibited from permitting their key control system authorization to be used by another person

unless prior approval is obtained from the Principal or designee at the building level and Superintendent or designee at the district level or in the event of an emergency.

3. A staff member's loss of a key, card, or any other device authorizing the staff member access to a school building or a facility on school grounds must be immediately reported to the Principal or Superintendent or designee. The staff member who loses a key, card, or any such access device may be responsible for the replacement cost.
- D. School Building Panic Alarm or Emergency Mechanisms (N.J.S.A. 18A:41-10 through 13)
1. Each public elementary and secondary school building shall be equipped with at least one panic alarm for use in a school security emergency including, but not limited to, a non-fire evacuation, lockdown, or active shooter situation.
 2. The alarm shall be directly linked to local law enforcement authorities or, in the case of a school building located in a municipality in which there is no municipal police department, a location designated by the Superintendent of the New Jersey State Police.
 3. The alarm shall be capable of immediately transmitting a signal or message to such authorities outlined in D.2. above upon activation.
 4. The alarm shall not be audible within the school building.
 5. Each panic alarm required under N.J.S.A. 18A:41-11 and Policy and Regulation 7440 shall:
 - a. Adhere to nationally recognized industry standards, including the standards of the National Fire Protection Association and Underwriters Laboratories; and
 - b. Be installed solely by a person licensed to engage in the alarm business in accordance with the provisions of N.J.S.A. 45:5A-27.

6. The school district may equip its elementary and secondary school buildings with an emergency mechanism that is an alternative to a panic alarm if the mechanism is approved by the New Jersey Department of Education.

E. Staff Member Responsibilities

1. Staff members should not bring to school valuable personal items that cannot be in the staff member's personal possession at all times. The Board of Education is not responsible for a staff member's personal possession in the event the item is lost, stolen, misplaced, damaged, or destroyed.
2. In the event a staff member observes a student has a valuable item in school, the staff member will report it to the Principal or designee. A valuable item may include, but is not limited to, an unusually large amount of money, expensive jewelry or electronic equipment, or any item that is determined by the Principal or designee to be valuable to a student based on the student's age.
 - a. The Principal or designee may contact the student's parent and request the parent come to school to retrieve the valuable item;
 - b. The Principal or designee may secure the valuable item and return it to the student at the end of the school day and inform the student and the parent not to bring the valuable item to school in the future; or
 - c. The Principal or designee will permit the student to maintain the valuable item and inform the student and the parent not to bring the valuable item to school in the future.
 - d. The Board of Education is not responsible for a student's personal possession in the event the item is lost, stolen, misplaced, damaged, or destroyed when in the possession of the student.

1. Application must be made in writing and on the form supplied by the school district. The form is available in the office of the Business Administrator.
2. Application for use of school facilities must be submitted to the Main office not less than 30 working days before the date of the requested use. A use that requires the approval of the Board must be submitted not less than 45 working days prior to a regular Board meeting and not less than 60 working days before the date of the requested use.
3. The application must be signed by an adult representative of the requesting organization, who will be considered by the Board to be the agent of the organization.
4. The application must include all the facilities that the applicant wishes to use and all the dates and times of the requested use. Approval of any application is limited to the facilities, dates, and times expressly requested on the application. Approval does not include the privilege of additional rehearsal time or the use of rooms or buildings not expressly requested.
5. The application must include all the equipment and supplies that the applicant wishes to include in the use, pursuant to Policy No. 7520, Loan of School Equipment.

C. Approval

1. The Superintendent or designee will review each application and check the school calendar to determine whether the facility requested is available at the date and time requested, that is, the facility has not been scheduled
 - a. For use in the instructional or co-curricular program,

- d. In accordance with Policy No. 7510, the use of school facilities will not be granted for the advantage of any commercial or profit-making organization or partisan political activity, or any purpose that is prohibited by law.
5. The Superintendent will determine the classification (I, II, or III) of the applicant organization and the fees and costs, if any, to be charged for the use of the facility. This information will be provided on the application form.
6. In the event of a conflict between requesting organizations within the same class, the request received earlier by the district will be honored first.
7. A copy of each approved or disapproved application will be distributed to the representative who signed the application form.
8. The application form will include the rules governing the use of school facilities, and the representative's signature on the application will signify notice of those rules and the organization's agreement to be bound by those rules.
9. The Board reserves the right to deny an application and to withdraw permission to use school facilities after approval has been granted and after the use has commenced. Permission may specifically be withdrawn from any organization whose representative has willfully made misrepresentation on the application or whose members violate the rules established for the use of school facilities. Such withdrawal of permission may constitute grounds for denying a future application made by the organization.
10. Permission to use school facilities is not transferable.
11. The organization representative must inform the designee of any canceled use request as soon as he/she is aware of the cancellation. An organization's failure to inform the designee of a canceled use at least 5 working days in advance of the
