Topic: Week of Respect  
When: October 5th-9th

“Week of Respect” is a state mandate week that all schools are required to observe in the first full week of October. This year, “Week of Respect” will be observed during October 5th through 9th. Our school district will participate this week by providing age- appropriate instruction focusing on preventing harassment, intimidation, and/or bullying. These lessons and activities will be taught in the classroom by the teachers and school counselors. These lessons/activities are designed to have the students learn about respect for others and oneself.

On Monday, October 5th, we would like to invite students (in-person and virtual) and staff to wear blue to celebrate “Week of Respect” for our students, classmates and ourselves.

Sincerely,

Julie Profio
